Motion A: That the Area-15 Spanish Linguistic Committee assume the responsibility of assigning and coordinating the chairpersons for all the Area-15 Quarterly/ Assembly Spanish meetings and workshops. Respectfully submitted, Rafael P. Area-15 Spanish Linguistic Committee Chairman

Background: It has been since the Linguistic Committee's inception, the responsibility of the hosting District to provide chairpersons for the Spanish meetings. This has rarely been successful and more often than not it falls to the Linguistic Committee to provide last minute, sometimes the day of, and un-prepared chairpersons for the Spanish meetings. The committee would still encourage and appreciate Spanish speaking volunteers from hosting Districts to chair meetings, they would however be asked to contact and be assigned through the Linguistic Committee. This procedure would make it easier for both the hosting Districts as well as the Linguistic Committee to provide willing, able and prepared chairpersons in a timely manner for all the Spanish meetings.
