

To all Area 15 trusted servants,

Here's the plan concerning our business for our April agenda.

Concerning the motion, I will postpone for July to hear along with the one we postponed from January.

For everyone that would normally give an oral report in the business meeting, if you have business to report other than conference agenda, please submit a written report to Kevin for printing in the minutes at secretary@area15aa.org.

We will postpone Quarterly Host Selection for July 2021 Dadeland, and Jan 2022 Sarasota Hyatt until July.

There will be more info coming, please send this to any and all concerned and stay close to your email.

There may be plenty that I need help with. I will ask that you email me any ideas, questions, comments and concerns you have, I will do my best to stay available for you.

Thank you for your service!
