

South Florida Area 15 General Service

Hello and holiday greetings! I hope this finds you well and enjoying the season.

The attached document from our Trustees Literature Committee is intended to get the conversations going about possible future changes. How to stay relevant vs. preserving the founder's writings. The questions here are intended to start the sharing and discussions, not to limit you in any way. You are encouraged to take the discussion where it leads you.

Please discuss among your fellow alcoholics, and I will provide a way to collect your ideas and comments. I am considering an online meeting after our assembly depending on the participation. It was intended that we share our area's ideas at the conference next year. As always, feel free to email, call or txt.

Thank you! and thank you for all you do!

Dear Trusted Servants:

A.A.'s Co-Founder, Bill W., in his 1953 address to the General Service Conference, stated that he did not consider himself the author of *Alcoholics Anonymous*, the Big Book (*Our Great Responsibility*, p. 92). He also alluded to the fact that in the various A.A. literature published prior to his passing, he borrowed heavily from other sources, and that other A.A. members made significant contributions.

On the other hand, addressing the historical context of some of the writings of our Founders, many members in our Fellowship have expressed strong sentiment against any changes in the first 164 pages of *Alcoholics Anonymous*, the Big Book, as well as the Preface, the Forewords, The Doctor's Opinion, Doctor Bob's Nightmare, and the Appendices. In fact, as early as 1995 and most recently in 2022, Advisory Actions designed to protect the above-referenced contents have been passed by the General Service Conference.

In response to a Committee Consideration from the 73rd General Service Conference suggesting that trustees' Literature Committee *seek input from the Fellowship (including but not limited to Area delegate feedback) regarding any possible future changes to literature written by A.A.'s Founders*, the trustees' Literature committee agreed it would be beneficial to gather shared experience from the Fellowship regarding this topic.

We would like to hear from you – the top of the triangle! While we hope that the suggested questions will help to spark thoughtful sharing and discussion, please feel free to add questions that we may not have thought of that you feel may best inform the discussion. Most of all, we are grateful for and thank you for your participation.

In fellowship,

The trustees' Literature Committee (2023-2024)

Attachment: Suggested Questions

HOW SHOULD WE TREAT A.A. FOUNDERS' WRITINGS

SUGGESTED QUESTIONS FOR DISCUSSION

1. Do you think that A.A. Founders would object to or embrace revisions to their writings? If yes, why? If not, why?
2. Do you think the Founders' writings are effective in reaching new members? If not, what measures do you think can be taken to resolve this issue?
3. What reasons would you consider for changing our Founders' writings?
4. How do you feel about changing A.A. Founders' writings to replace outdated references?
5. What suggestions do you have for preserving the Founders' writings, along with keeping pace with our current A.A. Society and its future?
6. Should there be a special Conference process for approval of changes to our Founders' writings? (e.g., super, or qualified majority – 75%, and/or 2-year consideration process.)
7. What additional ideas, thoughts or suggestions can you share about changing or not changing the Founders' writings?

Note: Please be as concise as possible in your responses to the questions.
