Quarterly Business Meeting – April 6, 2014

Embassy Suites, Tampa, FL

Total Registration: 669

GSR's: 203 AGSR: 34 ACM: 27 DCM: 68 Other: 245

1. Opening: The Business Meeting of South Florida Area 15 Panel 63 was opened by Chairperson Annie C. at 9:00 AM with the Serenity Prayer. The Preamble was read by: Darlene; The 12 Traditions were read by: Troy; and the 12 Concepts were read by: Kristin.

2. Chairperson's Remarks: Good morning Area 15. I'm an alcoholic and my name is Annie C. My home group is the Meat & Potatoes Group in Vero Beach. Thank you for the privilege of serving as your Area 15 Chairperson. How many new GSR's and Alternate GSR's are here today? We welcome you to Area 15. Please feel free to contact any of the Area Officers if you have any questions, tips or comments. We are here to serve you! Please be sure to purchase your banquet ticket for the July 2014 Assembly – District 10 members are selling them outside in the foyer today. Thank you to District 2 for hosting a wonderful quarterly. Thank you Richard for sharing your experience, strength and hope with us on Friday night and thank you Graham for sharing your experience, strength and hope with us last night. And while we know you don't like change very much, we are grateful that through the program you did change! Thank you for your friendship & leadership. Our hosting District Chairman, Nick gave a wonderful presentation on "Unity & Participation". This prompted great sharing from all the District Chairs. Tips such as encouraging GSR's to talk about their home group, show folks what we get from service and inventories are not only for when things are in need of fixing, but to help to continue to make things better are some of the solutions discussed. Today we will be bidding on a quarterly location for the April 2015 Assembly. As our Area Quarterly Coordinator is unable to be here today, motions B & C are withdrawn. Motions for the July Business Meeting are due Tuesday, May 6th by 11:00PM. This afternoon we will be reviewing the Conference Agenda Items with our Delegate & Alternate Delegate. We encourage you to stay and participate in the discussion so our Delegate will go with an informed group conscience. Please remember that reports are limited to 3 minutes. As they will be timed, I will give you a loving hint when you have 10 seconds remaining. At 3 minutes, I will thank you for your report. We have a lot of business to take care of today, so let's get started! Love & Service, Annie C. Area 15 Chairperson

3. Registrar: Good morning South Florida and Thank You District 2 for a great Assembly here at the Embassy Suites. My name is Dutch V. N. and I am an alcoholic, my sobriety date is July 25 1985 and my home group is the Royal Palm group in Vero Beach; I serve you as your Panel 63 Registrar. Thank you Richard for a wonderful talk on Friday, and Graham, thank you so much for your inspiring lead on Saturday. It has been a busy three months since January; the district registrars have been diligently working on getting used to inputting their own data into the area database. There is still a bit of work to be done making sure that everyone knows how to use it but with the manual that has been created things have been getting a lot simpler and more and more people are successfully using the system. A few district registrars are thinking of using the area database to create their own district mailing lists, that feature is available. Most of this weekend has been spent using one-on-one time with district registrars, and that has been working out splendidly. The next thing is mastering how to download meaningful data from the area database and, on my part, finalizing that area of the Manual. We still have the ever present problem of groups sending new group forms and group change forms directly to the General Service Office. Please understand when you do so, not only might it take time since the General Service Office deals with database entry forms from around the globe, Area 15 is not notified of your submissions. Also some groups go to their Inter-group or Central Office to register new groups or to change GSR's etc., in turn the Central Office or Intergroup submits such information to not the District, not the Area, but directly to the General Service Office, once again the Area does not get notified, and neither does your district. It is a disconcerting when someone leaves an angry voice mail or sends a nasty email because they are not getting area or district information, all I can do then is request sufficient information from them, go to the Fellowship New Vision

database, search, find and retrieve the information, then get such information into the database and notify the appropriate district. This, also, is time consuming and so unnecessary. So please if you are a District Chair, Group Member, GSR, DCM or a District Registrar, please help educate everyone that the proper, and fastest way to get information into both the Area and the Fellowship New Vision database is to go through the District Registrar. This way the process will be less than 24 hours. Thank you for allowing me to be of service, Dutch V. N., Registrar Area 15 Panel 63

4. Recording Secretary: Good Morning South Florida Area 15 Assembly. Thank you to District 2 for an excellent weekend, great hospitality suite, and the best vegetarian option I've ever had at the banquet, eggplant parmesan. My name is Sylvia L. and I am an alcoholic. My home group, Saturday Night Fever, is here in Tampa on ... *Saturday Nights* at 7 pm at Hyde Park United Methodist Church on 500 W. Platt Street. Please come and join us next time you are in town. I'd like to welcome all new attendees and especially new GSRs. Richard G. and Graham G., thank you for sharing your Experience, Strength and Hope with us on Friday and Saturday evenings. I would like to thank the website committee for the smooth transition with our email addresses. I will soon be testing out the emailing program on a larger scale. I especially would like to thank the members that had the foresight to submit their reports prior to and during the assembly. This is extremely helpful. Please submit your reports to me today or by next Wednesday to ensure the Spanish translation and the printing of the minutes goes smoothly. As you know, the bulk mail permit had moved back to Boca and Lion Press Printing Company as we were unable to obtain non-profit mailing rates at the Tampa location. There have been a quite few difficulties with the Lion Press Printing Company in Boca, which is why I had originally moved the mailing to Tampa. After the January mailing of the minutes, the Boca post office informed us we will no longer receive non-profit mailing rates. I was given two choices to obtain these rates when I was in contact with the US postal service. The first was to change the name of the Area 15 501c3 so we could put the name on the outside of the mailing without breaking anonymity or setup a DBA with the state so we could send the mailing out with South Florida Area 15 instead of our non-profit name, South Florida Area Conference of Alcoholics Anonymous. We had explored the option to create a DBA unsuccessfully, and so today, we have a motion on the floor to change the Area 15 name. North Florida Area 14 has already removed Alcoholics Anonymous from their business name and updated their business practices. The process is very simple to do, requires minimal expense, and does not go against our Area Charter. If you did not receive emailed or mailed minutes, please make sure your information is correct with your district registrars so they can update Dutch, our area registrar. I emailed 1,855 English minutes, agenda, assembly and convention flyers, beginning 02/19/14, and 15 of the Spanish version soon after. I sent the information for the mailings to the printer on 02/09/14 and there were 684 English packets and 71 Spanish packets mailed out through bulk mail and 22 international mailings on 03/05/14. With that, could I have a motion to approve the minutes, (Thank You), and a second, (Thank You), any comments?, if not, all in favor please signify by saying Aye, all Opposed? (Thank You.) At the Secretary/Registrar meeting yesterday, we had a lively discussion on Understanding Anonymity, mailing solutions. It was nice to have more than the usual 15 minutes to have a discussion. As a reminder, the minutes are sent via email from minutes@area15aa.org. This email address is not continuously monitored. If you have questions regarding not receiving your minutes or any comments about receiving them, please send an email to the registrar at registrar@area15aa.org; for comments on the contents, lay-out, errors and or omissions in the actual copy of the minutes, please contact the recording secretary at secretary@area15aa.org. Love and Service, Sylvia L., Area 15 Recording Secretary Panel 63

5. Treasurer: Good morning, Area 15, my name is Shirley P., my home group is the Friday Night Literature Group in Sarasota, and I am an alcoholic. Thank you District 2 for a great quarterly. I would like to thank our speakers' Bill and Graham for sharing their talk. Thank you for the privilege, and honor to serve as your Panel 63 Treasurer. We produced 315 Thank you letters for the 1st Quarter contributions. Please see your District Treasurer or DCM for additional information regarding these letters and the correct mailing address. GSR's, Alt GSR's, DCM's, and ACM's please take notice - The mailing address for the Area 15 Treasurer is P.O. Box 206, Bradenton, FL 34206-0206. Our Area 15 website and our Area 15 minutes also have this information. As always, please include your groups name, group service number, and district on your check or money order. We distributed the Thank you letters and encourage your DCM's and ACM's to personally deliver them to the groups which contribute to our Area. I spent a considerable amount of time researching the past and current processes being utilized to send the printed minutes out. I spoke with our CPA Connie, the Postmaster at the Bulk mail in Boca Raton, and the Lion Press printers. I have many more questions than answers and more shall be revealed after the motions are voted on this afternoon. We had an enthusiastic Treasurer's meeting. We discussed the responsibilities of the treasurer when planning, executing, and budgeting for a quarterly. Attention future hosting districts, although I as your Area Treasurer submit the reservations in advance to the hosting hotels, this does not guarantee room accommodations. As experienced during this particular quarterly, we

According to our seventh Tradition, will the host district please pass the basket? The contributions collected today are for Area 15.

6. Finance Chairperson: Greetings South Florida Area 15, My Home Group the St Pete Beach Young Peoples of Alcoholic Anonymous, my name is Aron T. currently serving as you Area 15 Finance Chair. The closing of the first Quarter is always the easiest one for us. We had a very productive meeting yesterday with several visitors. We meet on Saturday at 2pm and all interested members are welcome to attend. There has been some discussion about the funding of the Southeast Regional Forum. Upon reviewing the current practices and the previous motions concerning the financial for this forum we have identified that the last increase for this event occurred in October 2001, referencing motion number 439. That increase was for \$50.00. My self and the treasurer are going to work together to review the past financials from the South East Regional Forum. We are anticipating a motion out of of the Finance Committee for \$100 increase per person. Please keep an eye out on the up coming Agenda for a motion. As the wrap up of each Quarter only leaves the Treasure and myself only a few days at best to preparer our reports for the Finance Committee and the Area we are moving towards finding a solution that would we beneficial to us and still operate with our current practices. I love you all, Aron T.

7. District Reports:

District 1: Hello South Florida Area 15, my home group is the Experience, Strength, and Hope in St. Pete, I am honored and privileged to serve as the Chairperson of District 1, and my name is Robert. I first want to thank District 2 for a wonderful weekend. In District 1 we have finally approved the redistricting proposal we have been diligently working on for over a year now. This project was intensive mainly because we double checked every group and meeting in our densely populated district. We developed a custom google map that plots every group and meeting in the district so if any changes occur they are easy to change in the map. Additionally I am working with David C. our Registrar to get these changes entered into the database for Area 15 and G.S.O. A result of the redistricting process is that we have gone from 17 subdistricts to 16. This will save the district much needed funds and allow for better coverage for the groups within the district. We also have created a new District 1 website. You can find it at www.District1AAPinellas.org . There are many valuable resources that are being developed for the new website, and I am excited to see these roll out. We have elected several new DCM's and Annual Committee Chairs for upcoming events in District 1, and have seen many newly elected GSR's at our quarterly business meetings. Next on the agenda is to get more people receiving email minutes to cut costs again for the district. We are in the 21st century now and embracing technology to better serve the groups of the district is paramount. With 65 % of homes having a computer, we are finding the more people can be better served with electronic copies of our minutes. This allows for a more

effective communication with groups and reduces costs for us as well. Prudent use of district funds is key to our continued ability to serve. Speaking of better communication, our district also reviewed the background material of the agenda items for the upcoming General Service Conference. I distributed sections of the background material to service people within the district, had them create what we refer to as a "tear sheet" which in lay terms means a typed review of what is going to be voted on at conference. We refer to the background material for information to explain why these things are on the agenda, give brief explanations of the evolution of the items being voted on, and leave personal opinions out of it. This allows for GSR's to take these sheets back to their groups for discussion. We believe that a more informed group conscience better serves our district, area and fellowship as a whole. No more trying to give reports about what people said third hand, they now have a paper or electronic copy of what we reviewed. If you want information about creating custom google maps for your district, or have any technology based questions about how to better communicate with your groups feel free to ask me personally. Yours in service, Robert.

District 2: no report submitted

District 3: Good morning Area 15! My name is Mary Ellen M and I am an alcoholic and currently serving as District 3 chair. My home group is Sebring Group. Thank you District 1 for hosting a wonderful Quarterly. District 3 has been a busy place to be. We have found our Gratitude Dinner Chair. Debbie C and Kim H are doing a great job getting everything together. It will be on Saturday, November 2 at St Matthew Church in Winter Haven. Things are coming together quickly. Our Archives committee has been having fun finding all kinds of great history on District 3. They have been able to provide a display at most of the District events. Heartland Intergroup has thrown down the gauntlet and challenged the members of district 3 to design a logo. I can't wait to see the end result.

District 4: District 4--where service is our core--has been very active. Points of particular interest include: 1. Every other year we do a District Inventory. We wish to thank Laurie M. and Simmone C. for their efforts in this regard. Participation exceeded that of our last inventory, and the results and recommendations will be considered and discussed in the coming months. 2. Our Events Committee is once again busy, getting us ready to receive our Delegate when he reports back, which is scheduled for the end of May, and with our annual Founder's Day Dinner in early June. We gratefully acknowledge the efforts of Tom M and Kimberly W. and all others involved. 3. Our Public Information Committee continues to be on a tear with presentations to the community, our local institutions of higher learning, and dreaming up new ways to let our community know that AA is alive and well. Of particular interest have been 12 presentations made to our Sheriff's Department, & presentations to those acting as guardians in the 12th JUDICIAL CIRCUIT OF FLORIDA Guardian Ad Litem Program Advocating for Children in Sarasota & Manatee Counties. 4. Our Hospitals & Institutions takes responsibility for over 240 meetings a month, and does so seamlessly under the guiding hand of Cynthia L and the terrific group of coordinators she has assembled, a big note of gratitude to you all. 5. Our Grapevine, Special Needs and Traditions Committees have new Chairs--thank you Kathleen T., Catherine C, and Steven B-- for under them all three committees have been revived. 6. I also would like to thank Sharon K and her entire team for the work they are putting in to the Quarterly which is to be held this January in Sarasota. With luck it will be successful. As Thomas Jefferson said: "I am a great believer in luck, and I find the harder I work, the more I have of it." Such is the case with Sharon and her team. We are deeply grateful to you all. And a special shout out to our Area Chair Annie C, for all her help in helping us with this Quarterly. Thank you Annie! And finally, I would like to thank everyone from our District for their service and participation, and District 1 for this wonderful quarterly. It is a pleasure to work with happy and enthusiastic people, and we are blessed to have them in abundance in both our District and the Area. In Love and Service, Dave S., Chair, District 4

District 5: Good Morning South Florida thanks to district 2 for a wonderful quarterly. I am excited about the progress our district is making to better serve our groups needs. We approved the events committees going now to intergroup our district is no longer making and operating for and to generate cash. We have devoted our attention to the groups. So for it has been amazing we are growing with Gods blessings. A month ago the D.C.M. committee put on a service fair which was well attended, speakers on the steps and traditions. We recently had the old timers dinner put on by the events committee and intergroup, about 400 in attendance one who was in her 10th day of sobriety. This very weekend they are putting on a sock hope by the events committee live music and fellowship plus snacks. The events committee is also working on our founders day blast great food fun and fellowship which will be held in June. The district body recently approved the purchase of four computers for the use by district officers. When each individual term is over they then will be passed on to new officers. Thanks to everyone in the district G.S.R. and A.C.M. AND THE D.C.M. AND ALL THE GROUPS REPRESENTED THANK YOU. MAY GOD BLESS YOU ALL. LOVE RICHARD MCM.

District 6: My name is Carol H, I am an alcoholic. My home group is the Grapevine Group in Palm City. District 6. My sobriety date is 2/3/87. Thank you District 2 for a wonderful quarterly. Since we last met, We now finally have a full complement of committee chairs. Our last selected committee chair is Amy Biddle. She is serving as our Corrections Chairperson. Some of our committee's have members to help them and some of our committees have no committee members. We had a wonderful turnout at our annual corrections committee bowling for big books. We had to change the place where we held this event in the past due to a change in ownership. We still had a fairly good profit from the event for the corrections committee to purchase big books and other AA books for our people to take to the jails. We held our annual Spaghetti dinner in March. We haven't had our final accounting at this point. All of our committees are attempting to get out and help the suffering alcoholics. Currently our Archives, Literature, Grapevine, Special Needs and PI/CPC committees all have displays and will bring them to the various events and or meetings. We had two qualifying people stand for DCM in Indian River County, Debbie D. (a transfer from the keys) and Steve G. We have 3 serving DCMs. We also had one DCM resign in Indian River County as well, due to personal reasons. So we only gained one for this county. In Indian River County we have enough groups for a total of 5 DCMs and 5 ACMS. The DCM coordinator for St Lucie County has resigned that position and remains as a DCM. St Lucie County has 4 DCMs and 2 ACMS currently serving and we have enough groups for 7 DCMs and 7 ACMS. In Martin County we have enough groups for 8 DCMs and 8 ACMS. However, we have only two DCMs and one ACM currently serving. Okeechobee County has enough groups for one DCM and one ACM. They are currently fully covered. In March at our regular meeting we went over the agenda items for this quarterly and got prepared to let our delegate know our concerns. We wish our delegate a safe trip to New York. Our delegate will be at our district meeting on June 10, 2014 to share his experience from the conference. All are welcome to come. Our events committee will be supplying food. Our next event is our Founder's Day Ice Cream social which will be held June 7, 2014. District 6 will be hosting the October Quarterly in 2014 at Hutchinson Island. Rhonda L. is our quarterly chairperson. We have had two planning meetings so far. Love and service Carol H.-District 6 chairperson

District 7: Thanks district 2 for a great quarterly. At our February meeting we held our bi-annual district 7 inventory. Clark was kind enough to come to Ft. Myers to moderate. I'm happy to report that our District 7 Corrections Committee chair, Gracie M., is back on the job after major surgery. We all missed her and are thankful she is doing well. Gracie reported that the struggle continues with getting literature into the Lee County jail system but that a few books are now getting in. They did make a contribution to the Salvation Army's Federal and State Corrections Programs. Mina D., our Grapevine Chair, is planning the third annual purple party for May 16th, those are always a lot of fun and she does a great job of promoting the grapevine, La Vina and their books. The PI/CPC committee has been busy. They manned a display table at the DRUG HOUSE ODESSEY, put on by The Coalition for a Drug Free SW Florida. The program runs for 3 days, focusing on 5th graders. Mike C. and two volunteers, presented AA to 60 High School students at the Lee County Alternative H.S. Mike had participated in several meeting with Lee County School District representatives in order to set-up this event. So, on March 4th, the 45 minute program was conducted. Considerable effort went into arranging this PI event. In February the committee attended the "The Homeless Service Day and Veterans Stand Down" at the City of Palms Park. The committee is registered at the 2014 Lee County Employee Health and Wellness Fair to be held May 8th. John C., our DCM for the eastern part of our district attended and was the opening AA speaker at the Florida Native American Recovery Convention held in Clewiston. And finally as a prelude to this afternoon, on March 16th our district put on a workshop to review the conference agenda items. It was headed by Steve H., our alternate chair, and assisted by Don V., our PI/CPC chair. The crowd was small but the discussion was lively. It will be interesting to see how this body feels and ultimately the conference about issues where opinions differed within our district. In Love & Service Tom M. District 7 Chair

District 8: Good morning Area 15, I am an alcoholic and my name is Tom W. I have the privilege of serving District 8 (Palm Beach County) as its District Chairperson. And it is truly a privilege, the excitement and enthusiasm around service in District 8 is incredible, and I am blessed to be a part of it. Thank you to District 2 for hosting a great quarterly and the warm hospitality of the host committee. As a District, we have been working on updating the way we do business, due to the fact that we have had an increase in participation and number of committees over the past decade, so that's a good challenge to have. We have shifted our meeting time an hour earlier and extended the overall length by a half hour, and that has seemed to work so far. With a great amount of gratitude District 8 was able to distribute some excess funds to Area 15 and GSO recently. Three members of the District 8 archives committee attended the First Annual Florida Archives Workshop in Winter Park on February 14th and 15th and learned a lot about archival techniques. We have been successfully implementing a new GSR orientation utilizing a toolkit compiled by our literature committee chair. The District 8 registrar and DCM coordinator have been working hard on tracking down

unknown groups to update information in conjunction with Area and GSO. All of our committee chairs have been meeting their responsibilities with energy and enthusiasm, creating an inspiring atmosphere of service; I must say everything is great in District 8! Thank you In Love and Service, Tom W.

District 9: Good morning Area 15. I'm an alcoholic, member of the One Step at a Time Group and my name is Adrienne. My sobriety date is 8/29/87, and I am honored to serve as the District 9 Chair. I would like to thank District 2 for hosting a wonderful assembly, conveniently down the street from one of my roller coasters! District 9 got very busy after hosting you all in January. Our first big event was the Spring Fling Festival which was a culinary competition among AA members followed by a wonderful speaker meeting. That night our very active Special Needs Committee was able to provide a sign language interpreter for a hearing impaired AA member. Our Archives team attended the North Florida/South Florida Archives Workshop and returned home to enthusiastically begin organizing our Archives and traveling displays and to prepare for the Old-Timers meeting next Saturday, April 12th ready to start better organizing our sub-district boundaries. The Gratitude Dinner planning committee has commenced monthly meetings and forming committees. The PI/CPC Committee meets regularly and is starting back next week participating in Broward Sheriff's Office "Portal" to assist people recently released from jail who may need AA information. Grapevine and Literature continue to keep their displays up-to-date and respond to groups and events who would like to see these displays. Current Practices keeps us all focused. Much of our March meeting was dedicated to reviewing Conference background information. We are actively working with our local Intergroup and Institutions Committees to co-host the 9th Annual Unity Breakfast on May 10th. She will begin gathering information later this year for possible bids to host future assemblies. We also welcome Lonnie D. as the new Room and Ride Coordinator, Lin F. as the new Institutions Liaison and Leslie B. as a new member of the Finance Committee. Our thanks to Diane K. for her service to District 9 as the outgoing Room and Ride Coordinator and send get well wishes to Beth S., who had to step down from the Institutions Liaison position. Welcome to new ACMs Kerri W. and Lisa B. and congrats to Tom M. who rotated into DCM. The four officers and Finance Chair have been meeting regularly to keep our district financially healthy in order to assure that we are spiritually carrying AA's message. Please visit our website at www.district9aa.org, and we look forward to seeing you all this summer on Fort Lauderdale beach at the 58th Florida State Convention. Thank you to my District and to some recent District 9 chairs who have given me great counsel, and thanks to Area 15 for your willingness and unity. God Bless. In Grateful Service, Adrienne M.

District 10: Hello Area 15, I am Robin and I am an alcoholic, my sobriety date is June 25, 1993. Grateful to serve as District 10 Chairperson. We would like to thank you at District 2 for hosting a wonderful quarterly. Thank you Ricardo for sharing your experience strength and hope with us. And Graham, thank you as well, it has been a pleasure walking through service all these years. The Treatment Committees - Currently servicing 90 treatment facilities in Miami-Dade County carrying 503 monthly one hour A.A. meetings into those facilities. We had 6 Bridging the Gaps in the first quarter. In the first quarter of 2014, the committee was able to match the needs of 7 new hospital behavioral units and detox facilities requests for 26 additional new weekly meetings with the willingness of 59 facilitators with a year or more sobriety and 73 speaker volunteers with 90 days or more to accompany them. The outreach through sign-up sheets given to Treatment Liaisons, GSR's, ACMs, DCMs, Intergroup Reps along with "Help Wanted" fliers and a notice in the Intergroup monthly Messenger were a huge success in raising the awareness of the fellowship of the service need and precipitating the relatively rapid fulfillment. Our Man on the Bed is still humming along at the three existing hospitals with 79 service fellows participating with about 12 patient requests on average per month. Our Bridging the Gap chair is planning a district wide fellowship education program to raise the awareness of the proper use of this invaluable tool. Achieves - Lisa was excited to attend the workshop where she will continue to use information learned to assist our district. They continue separating and categorizing, and have moved towards cataloguing. We should be caught up in about 5-6 years. Also, they have started the process of taking pictures of our items to place on our website. Our annual Gratitude dinner to be chaired by Peter D and Co-Chair Mike R with the committee are currently searching for a new home. Committees are in place and theme has been selected "AA, a society of alcoholics in action". More will be revived. Remote Communities - chaired by Jose R continues reaching to other committees and districts to build this committee within our district. Literature committee "The literature committee for district ten is excited about the 75th anniversary big book and has started encouraging home groups to have a literature rep. -- Corrections - The PICPC - New chairperson Gabi is enthusiastic about learning more about getting the word out to the professionals in our community, as well as carrying meetings into schools in our district. Special needs - Hearing devices have been given to the Sabal Palm group to assist a member in the being a part of the meeting. A flyer will be placed in the Intergroup Messenger to allow Dade county members the availability of services. Grapevine committee - Grapevine Round up in April 26 2014, at Blue Lake Park from 10am to 4pm, the speaker will

District 11: Thank you and Good Morning! Yes, I am Brenda, Alcoholic, District 11 Chair. Big Thank You District 2 on your work well done for this weekend. January – Big Pine Traditions Group had their Annual Kick Ball Picnic... 30 present... AA Unity at work.. A newer member shared his disturbance with his picture being on face book. Also in January, Big Pine held it's first Group Inventory with an area 15 trusted servant being the facilitator – it proved most fruitful.... In fact, their GSR, Gina, shared the groups enthusiasm of same at the Mid Keys Group Conscience meeting in Marathon. They agreed to look at the process and the questions thru the AA Group Pamphlet, which Big Pine used for their inventory. Our experience, strength, and hope, carrying on... Our Grapevine chair, Sue B is doing a splendid job boosting sales – all Mid Keys groups have a Grapevine Meeting monthly, and the basket monies go to Grapevine by way of free raffle w three winners getting subscription or a book. Nice work Sue.. Gina, our PI/CPC chair now has a small committee to work with on PI ...Thanks Gina.. Our Archives Chair Susan A – Also doing wonderfully – committee steadily growing – 3 members of which attended the first Archives workshop in February. Susan is also a brand new DCM for Mid Keys which covers Sugarloaf to Conch Key. Linda C now wears the GSR name for New Beginning Group, and Caryn S, a brand new Alternate GSR for Primary Purpose in Marathon... Welcome Aboard! So exciting having new trusted servants hopping on the AA Service Bus!! Mid Keys hosted a going away Beach Party and BBQ for snowbirds that are leaving for the summer.. Key West AA still going well.. It's Primary purpose quite excellent ... a visiting AAer tells that there were 85 people at its' end of the month eating speaker meeting! A positive air abounded as 5 anniversary members shared 1 to 45 years sobriety! The groups throughout our geographically widespread District takes meetings into the Jails and Detox centers – the latter every day. We, District 11 are not cohosting the July quarterly in Miami. Area 15s' Dear Delegate Don, has planned to give his General Service Conference report on May 25th. In Key West. Thanks Don! And that is that for the past quarter regarding AA activity in our loving District 11 – We wish District 10 lots of enthusiasm as they prepare for the hosting of the July Area Assembly – In Much Love and service – I am an ever grateful Alcoholic, Brenda D

District 14: Good morning ladies and gentlemen of Area 15, my name is George E, I am an alcoholic and the District Chair for District 14. District 14 consists of St. Marten, Antigua, Diminicia, the British Virgin Islands and the US Virgin Islands. Thanks to District 2 for hosting this event. We held our district meeting on Tortola in the British Virgin Islands on March 2nd. The meeting was hosted by the Half Measures Group and they did a great job with the meeting place and the refreshments. Our attendance was down as far as GSR participation was concerned but we did get a lot accomplished. Promises in Paradise or annual Caribbean convention, October 24, 25, & 26th, is well on its way to being one of the best conventions ever, we have a lot of new and exciting people on the committee that are working hard to make sure this event will be one you will never forget. Be sure to get a flyer off the table, and go to promisesinparadise.com to register and order t-shirts and hats. Another great weekend of recovery is also coming up June 6,7,&8th. Camp E Z Doezeit at Cinnamon Bay beach camp ground on St. John, U.S. Virgin Islands. This weekend is packed full of fun things to do in recovery, meetings, fellowship, guided night snorkel, and lots of beach activities, and our district meeting on Sunday afternoon. We have lost a meeting on St. Thomas. The TUTU Group has not had enough participation to continue and is no longer meeting. We have started a new 6:30 am meeting in Red Hook on Wednesdays. This is a very informal get together on the Marlin deck at American Yacht Harbor. Our groups have seen an increase in attendance due to the tourists on the islands. This is always great because many people come and stay for an extended time and they become locals for the time they are here. We have all made great friends with or parttime locals. AA is alive and well in the Caribbean, so come on down and enjoy some of our hospitality, hope to see you at one of our events or just call us – we will come by and pick you up off the cruise ship and take you to a meeting. Yours in Service, George E, District Chair

District 15: I am an alcoholic my name is Jim B. Chairman of District 15 West Pasco and it is a privilege to serve you. We'd like to thank District 2 for all their hospitality and warm welcome. It is always good for us to have an Assembly

closer to home so that we have the opportunity to introduce folks to service especially at the Area level it is a good experience for those who have not stepped out beyond their groups and it almost always seems to bring out renewed enthusiasm for AA. We are keeping busy in District 15 our committees are accomplishing more than ever and are expanding all the time. As I go to monthly committee meetings I get to see there have been more folks attending. PI/CPC has gotten new help and continues to work closer with the Sheriffs Dept., Archives has been cataloging and organizing years' of district material, Grapevine has grown and it really showed at our last event with the new display to attract more to what Grapevine has to offer, Treatment is growing and getting better organized and Correction has seen a growth in volunteers which is so important in bringing the message behind the walls. It is gratifying to see so many reach out to help and we still have our trials and tribulations in getting volunteers to fill some spots but this is progress not perfection. We had our 26th Anniversary Dinner a few weeks ago and once again when you get a large Group Of Drunks together in recovery we can have lots of fun. Jackie C from St Petersburg was our speaker and she was tremendous—it's great to make new friends in AA. We are already planning our next event Founders Day which we will have on June 7th. It sure takes a lot of work and people to get an event off the ground! Also looking forward to having Don come to our District to give his report in May on the GSC and we wish him well on his endeavors in New York – thanks for being there for us. 'Til we meet again on the road to happy destiny'

District 18: Good morning to all of you, my name is Vilmar C. And I am an alcoholic. I am a member of the Group Feliz y Libre, (Happy and Free), from Jupiter, Fl. I want to deeply thank District 2 for such a wonderful meeting. District 18 is covering the West Palm Beach, Martin, St. Lucie y Broward counties. We currently have an average attendance of 17 GSR's. We are reorganizing and improving the Correctional Institutions and Treatment Facilities Committees. We have had success with the service performed by the Public Information Committee which is carrying the message through newspapers and radio. The chairman of La Vina recently informed about a great increase in the sales of subscriptions. Making a total of 156 this last quarter. In the month of March the Special Events Committee organized a fun and sports event in the City of Lochatchee, Fl. At the end it was informed by the committee that it was a whole success. We are a young District and we hope to have consistency to continue carrying the message of Love and Service. Thank you Area 15. Vilmar C. Chairman, District 18.

District 19: Good morning area 15, my name is Ken S. and I am an alcoholic. I currently serve as GSR for my Home Group, Hope in Hell, West Bay, and part of District 19 of the Cayman Islands. Thank you District 2 for hosting this wonderful quarterly. Our DCM Robert sends his regards to the Area 15 panel and members. Our area Delegate Don F's visit was January 17 – 19 and it was an excellent visit and many meetings, questions and answers from Groups were held. The 2014 Cayman Islands Round Up "Sobriety in the Sun" February 28th to March 2nd was well attended and was a smashing success. Our speakers Ralph W. from LA and Polly and Dave P. from Jacksonville, FL were well received. The Hope in Hell, Double 'O' West Bay Groups continue to do well with attendance in meetings and their Saturday morning AA club house. The Third Tradition Group continues to still meet with low attendance and The Happy Destiny Group reports that the women's meetings have picked up after some low attendance. The George Town Hospital Group, Bodden Town Seaside and Emslie Group continue to do well and it has been a good high season thus far. The Spanish meeting 'Grupo Nuevo Amanacer' is doing well with two meeting a week and now looking to possibly start a third meeting. We are currently still trying to fill the Chair position of PI/CPC, some information is still carried by volunteers to hotels, lawyers and doctors. The Women's prison continues with a weekly visit; however no AA visits to the Men's prison have been carried for 2014. We are trying to continue negotiations with the prison, as NA meetings are allowed. Frank F. aka 'Bud' has agreed to be our new Chairperson for H&I (Hospitals and Institutions) Mary F has been nominated and asked to serve as our new Grapevine Committee Chairperson, she was our Archives Chair which is now served by Chairperson Liz W. also secretary for District 19. On a last but not least item, we are carrying the message to our sister island, Cayman Brac for the second time in a year. Various persons from the groups come on their own accord, April 25 – 27 for our annual 'AA Brac Attack. It will comprise of closed meetings, open speaker meeting, Saturday morning island tour and a Sunday morning meeting on the beach, closing with a potluck, fun and sun beach day! Thank you for allowing me to share! In service, Ken S.

8. Delegate Report: Hello everybody and good morning, my name is Don F. and I'm an alcoholic. Thank you. Buenos Dias, mi hombre is Don F. e jo soy um alcoolico. Gracias. Bonjour, tout le monde, je m' apel Don F. et je suis Alcolic. Merci Beaucoup. I am a member of the Tuesday Night Step Group and my sobriety date is January 5, 1979.

I am privileged and honored to serve as the Delegate, Panel 63, Area 15 – South Florida, The Bahamas, U.S. and British Virgin Islands, St. Maarten, Antigua, and The Cayman Islands. I want to thank you for this opportunity to serve you folks and at the General Service Conference for this second year. I will continue to put my whole heart and passion into everything I do for the Area and Alcoholics Anonymous. We want to encourage every member of our team, Panel 63, to be full of enthusiasm and willingness in furthering our moving and fascinating adventure.

First, I want to thank District Two for hosting a great Quarterly Assembly with lots of fun and spirit. We have over 700 folks registered for this Quarterly. We want to thank our hard working volunteers who deserve our appreciation. Let's give them a round of applause. We also want to thank our speakers for great talks. The Hospitality Room has been great and we want to thank all of those groups who served and helped everyone out. The Volume II, Second Printing of The Willing Times, a two page summary of my report, is available up front here and on the tables.

Second, I was invited to the Cayman Islands to help them with their spirit and enthusiasm become even more willing than it already is. I had the privilege of sharing my General Service Conference Report and my story at four different meetings and met a number of very active service folks. We were able to review a number of the opportunities to grow in the Caymans and I was able to make some suggestions to help them carry the message even better.

Third, I had the opportunity to conduct a Group Inventory with the Big Pine Key Group which went very well. I want to thank Gina, Victor, Jo and everyone else for allowing me to share and help in this great spiritual growth experience. I also want to thank Joanie and all of the folks in District 12 for inviting me down to give my Conference Report and my story while attending two different meetings with our friends in the Upper Keys at the Islamorada Group.

Graham and I attended the Delegate's Get-Together in Atlanta where there was continuing discussion about the Southeastern Conference and SSAASA and what the future of each should be. We met the new Panel 64 Delegates from the Southeast Region and heard the Area Highlights from those folks.

Also, we had a huge success with the First Florida Alcoholics Anonymous Workshop February 14 and February 15. It was hosted by our own Archives Chair, Karla, and Area 14 and their Archives Chair. The GSO Archivist, Michelle and the former Akron Intergroup Archives Chair, and current Board of Trustee Member of Dr. Bob's House, Gail L., presented three different talks, and our District Six Chair, Carol H., did a great job doing an Old-Timer Interview with our current Southeast Regional Trustee, Chet P. I also did a talk on Copyright, including the pictures of the last house Dr. Bob lived in at the University of Michigan with the "Parrothead Party Headquarters" banner strung along the back porch.

I am also preparing for the 64th General Service Conference coming up in three weeks. This year our theme will be "Communicating Our Legacies – Vital in a Changing World." I need to make an amends to the Area for the mistake I made. Somehow, while we sent out 42 letters and 25 boxes in two days, the copy of the Background Materials was printed without the page numbers on them. I am sorry for making that mistake. Fortunately, I discovered it the day after we sent everything out and I sent an e-mail to the District and Committee Chairs asking them to number their pages before they distributed them to their committees and members. Once again, I apologize for that mistake. We also prepared this sheet with the first page numbers for each Section to make it easier to number the pages.

I was elected to serve as the Alternate Chairperson for the Trustee's Committee. I have also been asked to open the GSC Session on Monday, April 28, at 1 PM. I was also selected to be the Moderator for the 2014 Inventory Group C. I look forward to these opportunities to lead our fellow Delegates and to carry this message at the conference.

I have set up numerous dates to give the General Service Conference Reports to the Districts upon my return from the Conference. If we have not set a date for the report to your District, please see me as soon as possible so we can to set up a date for your District.

The 75th Anniversary Big Book is about to go on sale for the low price of \$12. Our good friend Michelle, the GSO Archivist, tells us the pre-order books will ship any day now and they hope to have all of the pre-orders shipped by April 15, 2014. The actual publication date of the First Edition Big Book was April 10, 2014.

The February GSO Board Meeting Minutes and the A.A.W.S. March Meeting Highlights reviewed the current financial figures, and AAWS had gross sales of 2.1 million through the end of February. They also have received more than 100,000 preorders for the 75th Anniversary Big Book. The General Service Board is doing a self-assessment and strategic planning sessions with two working groups focusing on four questions:

1. What is the mission of the GSB?;
2. Who should the GSB provide services to?;
3. What is valued or needed by those we serve?; and
4. What are the results of the GSB?

To the end of the year, literature sales generated \$12.8 million in gross sales, with the bulk order site bringing in \$5.1 million itself, together with another \$182,587 for personal sales. Digital sales are increasing with Amazon, Barnes & Noble, and Apple iTune stores with the Big Book and 12 + 12. December was also the highest month ever for group contributions, totaling \$850,000, leaving contributions 3% over budget and 5.2% over 2012. The Grapevine subscriptions were down to 77,126 for last year, down 6,132 from last year, while eGrapevine subscriptions totaled 5,175 for the year. LaVina circulation had 10,145 subscriptions, with a yearend loss of \$142,544, \$15,490 more than budgeted.

The new Box 459 Spring Issue has great stories on the 2015 International in Atlanta, Vancouver being selected as the 2025 host of the International Convention, A Walk Through G.S.O.'s Archives, Behind the Walls in Area 81, Carrying the Message One Alcoholic At a Time, and articles about Special Needs and new E-Books from AAWS. 2014 CHALLENGES

Now, the question you have all been waiting for:

ARE YOU WILLING?

I just have a short motivational theme for you guys today. Bo Schembechler, the famous Michigan coach, discussed the way he motivated his teams. He gives us several things to help us continue to carry this message and be good examples of A.A. First, he said that “Early Is On Time and On Time Is Late.” He also gives us three other important suggestions:

1. “Respect Your History;”
2. “Do the Right Thing – Always;” and
3. “Listen Before You Lead.”

These are great guidance suggestions since we need to respect our history, including the Traditions, the way this beautiful program developed through many mini-spiritual experiences, and the numerous lives it has saved. We also should always try to do the right thing and if we make a mistake, we admit and make amends. Third, we need to listen to our members and each other and then lead our folks based on what is best for A.A.

Once again, I want to thank you all for the privilege of serving you folks as your Delegate. If I can be of any further service to any of you, please let me know. May God bless you and keep you forever. Thank you.

In Grateful Willingness, Love and Service, Don F., Delegate, Panel 63, Area 15 – South Florida, The Bahamas, U.S. Virgin Islands, British Virgin Islands, St. Maarten, Antigua, and The Cayman Islands

11. Grapevine/La Vina Report: Charlie alcoholic, We started our meeting with a moment of silence and the serenity prayer. We then read the statement of purpose and introduced ourselves. The secretary/Treasure gave his report. We discussed the background material. 1. Consider the list of suggested Grapevine book topics for 2015 or later. the 12 traditions-our experience cartoon book II. special needs. people of color 2. Reconsider publishing the 'Alcoholism at Large' section of the Grapevine. 3. Consider a request 'to reaffirm the Right of Decision of the A.A. Grapevine Board to make formatting decisions for the A.A. Grapevine and La Vina magazines. We closed with the Responsibility Pledge. Love N service Charlie

Grapevine /La Vina Secretary/Treasurer Report: My name is Peter and I'm grateful recovering alcoholic my home group is Sable Palm group of Alcoholic anonymous in district 10. I want to give many thanks to district 2 for hosting the April 2014 Gen. service assembly. 12. Corrections Report: I am an alcoholic, my sobriety date is February 13, 2003, I'm a member of the Westside Men's Group in District 9, and am privileged to be the chair of the Area 15 Corrections Committee. My name is Bob H. Thanks to District 2 for doing such a great job this weekend. Our business meeting was held at 1:30 PM yesterday. We had a quorum with 11 of 19 districts represented. Our Secretary/Treasurer Heather W. was back after overcoming some serious health issues. Between her hard work and our alternate chairperson's help, all details of the position were fulfilled perfectly while she recovered. All attending Districts presented their reports. The service work we do seems to be going well across the area. After the district reports, we discussed the conference items and had a great sense of unanimity as to what directions the national committee should take. Then the motions scheduled for today's business meeting were taken up. Before closing, we were treated to a workshop presented by District 2. Corrections Chair Bobby B introduced Mack, an alcoholic who had served almost 16 years behind the walls at various Florida DOC facilities. While incarcerated, he was introduced to AA through the service that our committees do. He expressed his thanks to us for this with a grateful tear in his eye. He finally ended his sentence in this area, who was there but previous District 2 Corrections Chair Buddy H. to take Mack to meetings and to introduce him to AA on the outside. We were all touched and inspired with Mack's story. With the help of a power greater than ourselves and the fellowship, Mack got his driver's license back, started his own business, married a lovely lady who is also one of us, and closed on their first home just last week. Also inspiring is that to this day, Mack takes the time to write alcoholics he met while incarcerated, as well as others still behind the walls who need support. Mack is an outstanding example of why we do what we do. Come join us! If you've never taken a meeting into a jail or prison, there's nothing like it in the world! In Love and Grateful Service Bob H.

Corrections Secretary/Treasurer Report: Good morning Area 15 my name is Heather W. serving as Secretary / Treasurer for the Corrections Committee. Our committee received a check for the first quarter for \$150. Our expenses for business meeting materials totaled \$26.65 leaving us with a current balance of \$123.31 In Love & Service Heather W.

13. Treatment Facilities Report: My name is Chris H. and I am an alcoholic. The treatment facilities committee met yesterday morning and we had 15 districts represented. District committees are currently taking over 700 meetings into over 125 different facilities each month. There were 47 bridges reported this past quarter. The information we discussed at the meeting had to do with buying and distributing literature. How the district committees are funded and some different ways of stimulating interest and training volunteers. The "Man on the Bed" or 1 on 1 meetings are expanding into a couple of additional districts, and this type of meeting seems to be the wave of the future. We also went over the motions for today's meeting. And the Conference agenda items pertaining to Treatment. We concluded the morning with a workshop on the rewards of carrying the message into Treatment facilities presented by Janine and Tiana from District 2. They reminded all of us there of our primary purpose in AA. And how sharing from your heart at a Treatment Facilities meeting can put all involved in touch with God as we individually understand it. I would like to Thank District 2 for a great quarterly and look forward to reporting to you again this July

Treatment Facilities Secretary/Treasurer Report: Greetings Area 15 Treatment Committee. I am a member of Mid-Keys Group in Marathon My name is Ali A, alcoholic. this weekend. Our balance at the beginning of this 2014 fiscal cycle was \$500. To date, we have had no expenses, leaving us with a balance of \$500. In love and service, Ali A, Treatment Committee Secretary/Treasurer

14: Archives Report: Good morning South Florida Area 15, I am an alcoholic, my name is Karla K. My sobriety date is December 24th, 2007. I am pleased to announce that our “*First ever...Florida AA Archives Workshop*” was a great success! We made history in Florida. We are also the first state to have a state AA Archives Workshop. We were so grateful to have our GSO Archivist, Michelle M. attend and present as well as former Akron Archivist Gail L., who gave an excellent presentation on “The Women Behind the Men in AA”. Finally, we want to thank our own Delegate Don F, for sharing his presentation on “Copyright and Fair Use”. Towards the end of the workshop, it was unanimously voted to make this an annual Florida Archives event, to be hosted by North Florida Area 14 and South Florida Area 15. Total expenses for our workshop totaled 872.00. However, we received donations from District 18 in Area 14, as well as the Central Florida Intergroup. We will be bringing a motion to the body at our next Quarterly in July, requesting an annual budget line item for \$150.00 to be used as our Area donation to this annual event. We had a fruitful business yesterday with the committee. We made a decision as a committee, to discontinue requesting that, when there is a Quarterly, the Archives chair from that hosting district, perform a workshop after the business. Instead, the committee made an appeal to use this time as an open forum for all the Archives chair’s to have a time of Q&A and sharing of experience, strength, and hope with each other. We did this yesterday, and we had wonderful and productive sharing time. This is so beneficial especially for our new incoming Archives chairs who come in with so many questions. We are still in discussion phase regarding bringing on an Area Archivist for Area 15, which would be a third Archives position to fill. We ask the Area to please keep an open mind to the possibility. The Area Archivist would be a non-voting committee member, just as the secretary/treasurer is. The idea behind bringing on an Area Archivist, is to have someone committed to overseeing and maintaining the integrity of the Area’s physical archives, also bringing it to the Area Quarterly’s, and being responsible for the storage facility. More will be revealed in a future Quarterly. Peace & Love in Service, Karla K., Area 15 Archives chair.

Treasurer Report: To date, there are no expenditures. We still have a balance of \$150.00.

15. Public Information in Cooperation Professional Community (PI/CPC) Report: Hello. My name is David G. I serve as your Area 15 PI/CPC Chairperson. I would like to thank District 2 for hosting this Assembly. Our committee had the privilege of attending the ACA convention in Tampa. There were volunteers from District 1,2,3 and 4 in attendance. We made several new contacts who deal with Alcoholism in their profession. Our first day in attendance was the day after the Super Bowl. There were a few who jokingly said they could've used us at the ACA Super Bowl party the night before. The contacts we make at these types of events are always very enthusiastic about our program and acknowledge how much of a blessing AA is to Alcoholics. District 1 has carried the Aa message to over 150 students in Pinellas County Schools and continue to work with DUI classes. Brian in District 2 has been invited to several hospitals to talk about Aa. The dist 2 committee now has an ASL interpreter , French and Spanish speaking members. He will set up his PI/CPC display at the Steps To Freedom presentation. Don and Teresa from district 3 helped volunteer at the ACA convention. They had a booth at the ABC's Of Health fair in Haines City. District 4 attended the New College Fun & Fitness Expo, Teen Court and LPN nursing classes at Manatee Technical Institute. Their 15 second cinemercial still gets air time before movies in 8 theaters. This is seen by thousands every week. Sam and Jil in District 6 has been working with AM station 1370 in Vero Beach and got them to air one of our PSA's. District 8 has put together www.district8area15aa.org/edu to help students easily access AA materials. This is a great tool for conference approved pamphlets and videos relating to young people and Alcoholism. District 9 continues to work with the Victim Impact Panel classes with over 100 DUI offenders in each class.They've been providing literature to the National Association of SocialWorkers and will be in attendance at the Addiction & Mental Health Conference. Doug from District 15 has cooperated with Pasco County Sheriffs Office and given an Aa business card to over 450 deputies . The info given has the central office phone numbers to all surrounding counties. I would like to welcome Gaby from District 10 as the new Pi/cpc chair. she will be working on distribution of our Spanish PSA "Tengo Esperanza" to local TV station in Miami. 17. Current Practices: The Current Practices Committee met yesterday from 9 -10:45 a.m. All members of the committee were present, and we welcomed ten visitors. The committee reviewed the placement of motions from the previous quarter into the Book of Motions and Book of Current Practices and made two adjustments. The committee reviewed the motions for today's business meeting and assigned motion numbers to them. The Area Chair noted that two motions would not be heard today as the motion maker could not attend this weekend. Two motions were determined to be single-occurrence motions, which will place them in the Book of Motions only. The committee discussed the remaining motion's appropriate placement in the Area Current Practices at length and postponed the final decision on placement until the July 2014 Quarterly. The committee is working through reading past Area 15 minutes to determine the full name and title of the motion maker of each recorded motion. This work is in response to a motion passed by the Area 15 body (motion # 690) "That full names and positions be maintained in the hard copy (paper) version of the Book of Current Practices and Book of Motions." Thank you to the Archives committee for providing a copy of the archived minutes for use in this endeavor. The committee made corrections to the South Florida Legacy of Service section on page L4 of the Area 15 Legacy of Service. The number of standing committees and the description of the Area Committee were inaccurate and will be corrected in the next version of the book. The Current Practices Committee welcomes updates for placement in the Legacy of Service book from Area committees or officers at any time during the year, and in particular near the end of each Panel rotation every two years.**Area committee chairs and Area officers please take note:**The Current Practices committee asks that each committee chair work with their committee to determine if there are any changes needed in your committee's composition, scope, and procedure. Area Officers, please review your Legacy of Service for any necessary changes in your position. Submit change requests in writing to one or both of the Area Current Practices co-chairs (Ken C. or Kathy G.) PRIOR TO the October 2014 Quarterly. You can submit a paper copy with markup or email changes to currentpractice@area15aa.org to reach both of us. We welcome each of you to join us in the Current Practices meeting. We have the most fun of any of our committees! You can access searchable PDF copies of the Book of Current Practices and the Book of Motions at our Area website at www.area15aa.org. Love in service, Kathy G. Area 15 Current Practices Co-Chair

18. Special Needs: Good morning Area 15 my name is Morgan M. and I am an alcoholic. It is an honor and privilege to serve as your Area 15 Special Needs Chair. This quarterly we had no request for ASL interpreting services. Our committee met yesterday and we had two brand new chairs in attendance, several past officers, and numerous guests. We had a great committee meeting yesterday and then had a separate subcommittee meeting to discuss ideas for a pamphlet regarding the alcoholic with mental illness. We plan on meeting each quarterly as a subcommittee. Our committee feels that this is an important piece of literature and is working to develop a more concrete design idea. If you are interested in contributing ideas please feel free to contact me. Siggys was unable to be here this Quarterly, however he has informed me that our Area budget still remains at \$425.00 after requesting \$75.00 at January's Quarterly. As always our committee is here to serve, please do not hesitate to contact us with any questions. In Love & Service.

19. Literature: My name is Lynn and I am an alcoholic and privileged to serve as your Area 15 Literature Committee chairperson. After introductions, We got right down to business. We had 10 districts represented at our committee yesterday. We discussed the "consider" and "approve" items from the conference agenda and found Unanimous support for 2 items: F and I and mixed decision for the other two items: G and H. We did not have time to review all of the items, and did our best to focus on those items which had enough background material to make an informed decision. Summary of discussion of items: Regarding the use of the Circle and Triangle, item F, it was felt that this is a comforting symbol many AAs already associate with AA and sobriety. It is up to GSRs and DCMs to communicate clearly that this symbol does not automatically mean items or literature with the symbol are conference approved. Since "item I" addresses approval to correct text in the Preface of the Big Book, the committee was in favor of restoring the

text which was erroneously edited. Item G had much more discussion and less agreement. While some felt a pamphlet of this nature might be helpful for professionals and for helping people with mental illness identify their alcoholism, others felt the scope of the pamphlet was not clearly defined and may be outside the scope of AA. It was also mentioned that literature already exists which addresses problems other than alcohol. And that this may set a precedent of AA sharing information it is not qualified to provide. Ultimately a majority of the committee members voted against a new pamphlet. Lastly, item H, discusses adding language to the open meeting side of the Blue Card.. On this, our committee was split evenly. Discussion in favor of the change mentioned it would make the a blue Card more consistent with our other literature, most specifically the AA Group pamphlet. It may help with singleness of purpose and it is already in use on various AA website where meetings are listed to describe open meetings. The meeting got more and more intense. I want to thank our visitor from the Spanish speaking community for the visit. Our committee would like to invite our Spanish speaking brothers and sisters to join our literature committee and take away the separation of language and bring us together. I want to thank Karen for helping me become a better chair. And to the district chairs for teaching me I have more to learn.

Literature Alt. Chair/Secretary/Treasurer: Hello everyone! I am an alcoholic, member of the 164 Group in Port St. Lucie, District 6. My sobriety date is December 12, 1994 and my name is Karen A. It is my privilege to serve as the Secretary/Treasurer and Alternate Chairperson of the Area 15 Literature Committee. At the present time there is \$100.00 in the treasury. There have been no expenditures this quarter. With love and service, Karen A.

20. Website: Hi, my name is Corina P; I'm the alcoholic serving as Website Committee chair. Great to be back at another Quarterly. Thank you, District 2. Thanks every one who was patient and helpful this Quarter with the transfer of Area email accounts to a new hosting company. The officers were very supportive and helpful. I hope everyone is getting accustomed to the new resources. The website committee will help however we can with any persisting difficulties. I understand some of the accounts are getting quite a lot of spam mail. I don't know why exactly - I don't think the fault is with our new provider HostGator or with anything we've done. There are some resources to help deal with the problem. It seems like only some accounts are getting spammed. If yours is, please let one of us know so we can help. We have to backtrack a little on the new Area site development as we may have lost some data, but it will be back online soon. It would be great to have an updated website by the end of our terms. Our committee meetings are interesting and well-attended by some very enthusiastic and knowledgeable people from a number of Districts, including but not limited to district committee chairs. There was a lot of tech support happening yesterday and sharing of resources that facilitate the online presentation of information. Google Maps and Calendar are used by many. In the interest of maintaining anonymity online, some districts are following the Area's example of using a password protected area for business documents or archived material. Our website address is area15aa.org. Business Documents may be accessed from a link on the home page. username: area15aa and password: area15. The stats this quarter: 3951 visitors with 8937 page views. This was from 2986 unique visitors a small increase. 95% are from the US. The rest are from various places around the world including the Canada, Great Britain, Brazil, France and Spain. Our webservant Jim who does almost all the work made the usual updates and posts to the site: flyers for this Quarterly and minutes from the last one, the updated Books of Motions, Current Practices, and Legacy of Service, and updates to the Quarterly Coordinators page. Yours, Love, Service, Corina P. Area 15 Webchair

21. Spanish Linguistic: Good morning Area 15, my name is Felix G. And I am an alcoholic. Thanks to District 2 for welcoming us to this quarterly. In the month of February we had a meeting in the Group Encuentro of Miami to inform about our activities within our Hispanic Districts and Sub-Districts in our Area. We are also supporting the celebration of the 18th Anniversary of La Vina, in Spanish, of course. This meeting is organized by District 33 from Area 14 and is going to be held in Orlando. Our next Inter-district meeting will be held in the Group Aprendiendo a Vivir, (Learning to Live) in Naples on May 24 at 1:00pm. It has among other goals to learn about responsibility and commitment to service. On our committee meeting yesterday we had a very good attendance. MaryEllen / District 3, Sharon / District 6 , John / District 7 Attended the 8th Annual Florida Natives in Recovery Convention hosted by the Seminoles / there were 160 registered attendees John C. was the main Speaker for that weekend, it was held on March 27th, It was John's 27th Anniversary and he showed up in a suit and tie. 24. Old Business: Bidding on the April 2015 quarterly. It will be hosted by District 8.

25. New Business:

Motion D: That full rights and privileges be extended to the General Service Representatives (or their alternates in the absence of the GSR) of every AA group in Area 15. Respectfully, Ralph W., Chairman, District 20/South Florida General Service Area 15 **FAILED**

Background: GSRs may only vote on motions; they may not make motions (or move to amend them) or second them. Concept IV states, "At all responsible levels, we ought to maintain a traditional 'Right of Participation,' allowing a voting representation in reasonable proportion to the responsibility that each must discharge." Bill W. said the GSR "may be the most important job in AA." It is therefore inconsistent that our GSRs are treated as second class trusted servants with only limited rights and privileges in our Area 15 business meetings.

Motion E: Change the name of our 501c3 non-profit organization with the IRS from "South Florida Area Conference of Alcoholics Anonymous" to "South Florida Area 15". Submitted by Recording Secretary, Area 15 Panel 63. **FAILED**

Placement of this material in a location accessible to the public, including aspects of the internet, such as Websites available to the public, may breach the confidentiality of the material and the anonymity of members, since it may contain members' full names and addresses.

Background: The current name of our non-profit organization, “South Florida Area Conference of Alcoholics Anonymous”, breaks Traditions 11 and 12. We currently use, “South Florida Area 15”, in some of our area business, but need to be able to use it for ALL of our area business to protect our anonymity.

Time Sensitive Motion Out of Committee: That in an effort to expedite the Spanish translation for inclusion in the Area 15 business minutes, all Area Officer, Standing Committee, and District reports be submitted to the Area Recording Secretary within ten days of the Sunday business meeting. Respectfully Submitted, Area 15 Spanish Linguistic Committee **PASSED**
