Whenever a third legacy elected position becomes vacant, for whatever reason, the position shall come up for election at the next assembly and/or quarterly to fill that position.

Amended motion from 7/1997:

C.) Voting - (a) all members of the Area Committee have the right to vote at Area Committee meetings; (b) all members of the Area Committee and General Service Representatives have the right to vote at Assemblies.

That Area 15 approve the formation of a new linguistic District consisting of Palm Beach and Martin Counties
The South Florida Area 15 Conference of Alcoholics Anonymous conducts all Area Business Meetings in Assembly to allow full participation of the groups General Service Representatives.

That Area 15 approve the redistricting of District 7 by forming District 20 with geographical boundaries of Collier County, the portion of Monroe County bordered by Collier and Miami-Dade Counties, and the portion of Hendry County below the northernmost boundary of Collier County.

That Area 15 establish a Remote Communities Standing Committee with a commitment to assist all of our Districts in carrying the message to remote communities within Area 15. Membership would consist of one representative from each District. Officers, a Chairperson, and a Secretary/Treasurer would be elected in committee every two years using a Third Legacy Procedure and presented for approval at the Area business meeting. The committee would meet every Quarterly at 8:00 a.m. on Saturday and hold at least one electronic meeting every quarter between Quarterlies. The budget for the first year would be $100.00 to be used for cost of communication services such as Skype and postage.
That the Area 15 quarterly site selection be as follows: The final responsibility for finding suitable sites rests with the Quarterly Coordinator Committee, they will seek out the best available sites that can accommodate our needs with lowest cost being the top priority. They will bring their selections to the body for approval in alternating years beginning in October 2019 with the requirement of equaling dividing them between east and west and rotating the voting assembly from east to west. In addition to this procedure: The districts may independently present hotel bids for quarterlies by adhering to the following: Form a committee by presenting 3 names with contact information to the Quarterly Committee. Notify the Quarterly Coordinator Committee of which quarterly and what facility they intend to pursue. (this is to prevent duplication of efforts) Present the contract proposal to the Quarterly Coordinator Committee at least 30 days prior to the July quarterly for review and approval. If any districts follow this procedure and bring an approved proposal to the committee, the committee will then present those proposals to the body as an alternative to the QCC selection. The Area 15 voting body will then decide by a majority vote on which site to select. If there are multiple districts presenting proposals for one quarterly and the vote does not produce any site with a majority, (more than 50% of the total vote), between the district choices and the QCC choice then the site with the lowest count will be eliminated and another vote will take place until we have a site with a majority in favor. The hosting procedures remain unchanged as This information is for South Florida Area 15 Committee and Group members, and as such are confidential documents; Distribution is limited to members. Placement of this material in a location accessible to the public, including aspects of the internet, such as Websites available to the public, may breach the confidentiality of the material and the anonymity of members, since it may contain members' full names and addresses. October 7, 2018 Area 15 Panel 67 Business Meeting/Assembly Page 20 per motion 745 except if a district’s bid is accepted they will have first choice to host their selection. That the ballot slips for each round of balloting at all Third-Legacy elections be kept separate and not commingled or discarded until a clear winner is announced for the office being voted upon.

That a record of our attendance by district for GSRs, DCMs, and ACMs be maintained and reported to the Quarterly Coordinator.
At future South Florida Area Quarterlies weekends, that the host district provide meeting space for the Spanish Speaking Workshops (Concepts, Traditions, Service Manual), Linguistic District Representatives and officers that meet and that information about the meetings be included in the South Florida Area Agenda.

That South Florida Area 15 fund professional language interpreter services for the Spanish and English languages for the Saturday meetings as deemed necessary, Sunday business meeting, and Assemblies as needed for all Quarterlies. That the Area 15 quarterly site selection be as follows: The final responsibility for finding suitable sites rests with the Quarterly Coordinator Committee, they will seek out the best available sites that can accommodate our needs with lowest cost being the top priority. They will bring their selections to the body for approval in alternating years beginning in October 2019 with the requirement of dividing them between east and west and rotating the voting assembly from east to west. In addition to this procedure: The districts may independently present hotel bids for quarterlies by adhering to the following: Form a committee by presenting 3 names with contact information to the Quarterly Committee. Notify the Quarterly Coordinator Committee of which quarterly and what facility they intend to pursue. (this is to prevent duplication of efforts) Present the contract proposal to the Quarterly Coordinator Committee at least 30 days prior to the July quarterly for review and approval. If any districts follow this procedure and bring an approved proposal to the committee, the committee will then present those proposals to the body as an alternative to the QCC selection. The Area 15 voting body will then decide by a majority vote on which site to select. If there are multiple districts presenting proposals for one quarterly and the vote does not produce any site with a majority, (more than 50% of the total vote), between the district choices and the QCC choice then the site with the lowest count will be eliminated and another vote will take place until we have a site with a majority in favor. The hosting procedures remain unchanged as This information is for South Florida Area 15 Committee and Group members, and as such are confidential documents; Distribution is limited to members. Placement of this material in a location accessible to the public, including aspects of the internet, such as Websites available to the public, may breach the confidentiality of the material and the anonymity of members, since it may contain members’ full names and addresses. This will include all motions heard, discussed, or not discussed with a final disposition of passed (original or as amended), failed, postponed, rescinded, tabled, and withdrawn motions. Respectfully submitted Carol H. DCM District 6

Background A: All motions with a pass/fail disposition belong in the Book of Motions. Time sensitive motions are now being referred to as requires immediate attention. These are motions. If one fails the requirements for immediate attention, it was heard, it belongs in the Book of motions. Withdrawn motions also belong in the Book of Motions. Currently per #728 they were stopped. Before this they were included. Currently both the failed immediate attention and the withdrawn motions disappear and are not recorded. Having all motions in the Book of Motions is helpful in research items when considering putting a motion into the area. It may turn out a motion may or may not already exist. Motions for the agenda at Area 15 business meetings have already been discussed in our groups, our districts, our district and area committees except for motions brought forth at the area 15 business meetings.

That Area 15 transition from its current Azure database to Airtable, a secure, supported, and sustainable custom built database, to ensure ongoing access and management of Group, District, and Area information. Area Registrar will continue to manage data with District Registrars having the capability to make updates and run reports associated with their districts. One-time cost to build the database, including migration of all current Area July 24, 2022 Area 15 Panel 71 Business Meeting/Assembly Page 23 15 files, will not exceed $3,750. Annual cost for 20 licenses – one for the Area Registrar and one for each District Registrar – will not exceed $2,880. Ongoing support, as needed, provided by the vendor at an annual cost not to exceed $900, will be billed on an as-needed basis. License and support costs will be part of the Area Registrar budget in subsequent years. This motion is being presented with unanimous and wholehearted support from Panel 71 District Registrars. Respectfully submitted, Donna W, Area 15 Registrar, Panel 71

Background B: Area 15's database for management of group and trusted servant records, which dates to 2012, was progressive for its time, but has become cumbersome to use and labor-intensive to support. As the scope of the registrars' role has grown, data entry has become difficult, and the likelihood of inaccuracies has increased. These deficiencies reduce District Registrars' ability to provide accurate information for DCMs and hinders the Area Registrar's ability to enter information on groups and trusted servants in the GSO database, thus delaying timely communication to Area 15's trusted servants. Adopting a more nimble database would address these issues, while ease of use would afford more members of the fellowship the opportunity to fulfill the registrar role, encouraging inclusivity. Meanwhile, contracting with the vendor for ongoing support as necessary rather than depending on A.A. member volunteers will ensure uninterrupted database performance and smooth workflow. Sufficient funds are available.

All members of the South Florida Area 15 Committee may place motions on the floor at the Area Business Meeting only if the motion requires immediate attention as determined by substantial unanimity of the entire body.

All Motions that appear on the Area 15 agenda plus motions that occur at the Area 15 business meeting be included in the Area 15 minutes, Book of Motions and Book of Current Practice, if warranted. This will include all motions heard, discussed, or not discussed with a final disposition of passed (original or as amended), failed, postponed, rescinded, tabled, and withdrawn motions. Respectfully submitted Carol H. DCM District 6

Background A: All motions with a pass/fail disposition belong in the Book of Motions. Time sensitive motions are now being referred to as requires immediate attention. These are motions. If one fails the requirements for immediate attention, it was heard, it belongs in the Book of motions. Withdrawn motions also belong in the Book of Motions. Currently per #728 they were stopped. Before this they were included. Currently both the failed immediate attention and the withdrawn motions disappear and are not recorded. Having all motions in the Book of Motions is helpful in research items when considering putting a motion into the area. It may turn out a motion may or may not already exist. Motions for the agenda at Area 15 business meetings have already been discussed in our groups, our districts, our district and area committees except for motions brought forth at the area 15 business meetings.

The requirements to bid to host an Area Quarterly are as follows:
1. Form a District Quarterly Host Committee and submit a list of a minimum of three members with their contact information of those willing to serve on the District’s Quarterly Host Committee to the Area 15 Quarterly Coordinator Committee.

That the Area 15 quarterly site selection be as follows: The final responsibility for finding suitable sites rests with the Quarterly Coordinator Committee, they will seek out the best available sites that can accommodate our needs with lowest cost being the top priority. They will bring their selections to the body for approval in alternating years beginning in October 2019 with the requirement of equaling dividing them between east and west and rotating the voting assembly from east to west. In addition to this procedure: The districts may independently present hotel bids for quarterlies by adhering to the following: Form a committee by presenting 3 names with contact information to the Quarterly Committee. Notify the Quarterly Coordinator Committee of which quarterly and what facility they intend to pursue. (This is to prevent duplication of efforts) Present the contract proposal to the Quarterly Coordinator Committee at least 30 days prior to the July quarterly for review and approval. If any districts follow this procedure and bring an approved proposal to the committee, the committee will then present those proposals to the body as an alternative to the QCC selection. The Area 15 voting body will then decide by a majority vote on which site to select. If there are multiple districts presenting proposals for one quarterly and the vote does not produce any site with a majority, (more than 50% of the total vote), between the district choices and the QCC choice then the site with the lowest count will be eliminated and another vote will take place until we have a site with a majority in favor. The hosting procedures remain unchanged as This information is for South Florida Area 15 Committee and Group members, and as such are confidential documents; Distribution is limited to members. Placement of this material in a location accessible to the public, including aspects of the internet, such as Websites available to the public, may breach the confidentiality of the material and the anonymity of members, since it may contain members' full names and addresses. This motion takes effect January 1, 2017.

That the Area 15 quarterly site selection be as follows: The final responsibility for finding suitable sites rests with the Quarterly Coordinator Committee, they will seek out the best available sites that can accommodate our needs with lowest cost being the top priority. They will bring their selections to the body for approval in alternating years beginning in October 2019 with the requirement of equaling dividing them between east and west and rotating the voting assembly from east to west. In addition to this procedure: The districts may independently present hotel bids for quarterlys by adhering to the following: Form a committee by presenting 3 names with contact information to the Quarterly Committee. Notify the Quarterly Coordinator Committee of which quarterly and what facility they intend to pursue. (This is to prevent duplication of efforts) Present the contract proposal to the Quarterly Coordinator Committee at least 30 days prior to the July quarterly for review and approval. If any districts follow this procedure and bring an approved proposal to the committee, the committee will then present those proposals to the body as an alternative to the QCC selection. The Area 15 voting body will then decide by a majority vote on which site to select. If there are multiple districts presenting proposals for one quarterly and the vote does not produce any site with a majority, (more than 50% of the total vote), between the district choices and the QCC choice then the site with the lowest count will be eliminated and another vote will take place until we have a site with a majority in favor. The hosting procedures remain unchanged as This information is for South Florida Area 15 Committee and Group members, and as such are confidential documents; Distribution is limited to members. Placement of this material in a location accessible to the public, including aspects of the internet, such as Websites available to the public, may breach the confidentiality of the material and the anonymity of members, since it may contain members’ full names and addresses. The name of this organization is South Florida Area 15 Conference of Alcoholics Anonymous.

Article 2: Definition of Alcoholics Anonymous Organization

ALCOHOLICS ANONYMOUS is a fellowship of men and women who share their experience, strength, and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions.

A.A. is not allied with any sect, denomination, politics, organization, or institution, does not wish to engage in any controversy; neither endorses nor opposes any causes.

Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

South Florida Area Conference shall convene in Area assemblies every two years for the purpose of election of area committee members, from which is elected a delegate to the General Service Conference of Alcoholics Anonymous. Such area assemblies are concerned only with the world service affairs of Alcoholics Anonymous.

**Article 4: Composition**

South Florida Area 15 Conference, designed as an Area assembly, shall be composed of the elected General Service Representatives of all AA groups within the South Florida boundaries desiring to participate, District Committee members, and Area committee officers from each District of the South Florida Area 15 Conference.

But no South Florida Area District shall ever be placed in authority over another. All joint action shall be taken only upon a two-thirds vote of the combined Districts. Within its boundaries, each District ought to be autonomous. Only matters seriously affecting AA’s worldwide needs shall be the subject of joint consideration.

**Article 5: Electing Area Committee Members**

Elected members of the South Florida Area 15 Conference Committee are so elected by written ballot without personal nomination from among the Conference membership by a two-thirds written ballot or by lot as provided in the Third Legacy Procedure of The A.A. Service Manual.
Article 6: Terms of Office of Area Committee Members

Unless otherwise directed by the Conference the terms of Area committee members shall be concurrent and two years’ duration each, with elections to be held for terms beginning in odd years as further described in The A.A. Service Manual.

Article 7: South Florida Area 15 Conference Relation to A.A.

South Florida Conference will act for A.A. in the perpetuation and guidance of its world services, and it will also be the vehicle by which the AA movement can express its view upon all matters of vital A.A. policy and all hazardous deviations from A.A. Tradition. District committee members should be free to vote as their conscience dictates; they should also be free to decide what questions should be taken to the group level, whether for information, discussion or their own direct instruction.

Article 8: South Florida Area 15 Conference Relation To The General Service Board And It’s Corporate Services

The conference will replace the founders of Alcoholics Anonymous, who formerly functioned as guides and adviser to the General Service Board and its related service corporations. South Florida Area 15 Conference will be expected to afford a reliable cross section of A.A. opinion within the South Florida Area for this purpose.

Article 9: General Warranties of South Florida Area 15 Conference

In all its proceedings, South Florida Area 15 Conference shall observe the spirit of the A.A. Tradition, taking great care that the Conference never becomes the seat of perilous wealth or power; that sufficient operating funds, plus an ample reserve, be its prudent financial principle; that none of the Conference members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion, vote, and whenever possible, by substantial unanimity; that no Conference action ever be personally punitive or an incitement to public controversy; that though the Conference may act for the service of Alcoholics Anonymous, it shall never perform an acts of government; and that like the Society of Alcoholics it serves, the Conference itself will always remain democratic in thought and action.

Article 10: Twelve Steps of Alcoholics Anonymous

1) We admitted we were powerless over alcohol—that our lives had become unmanageable.
2) Came to believe that a Power greater than ourselves could restore us to sanity.
3) Made a decision to turn our will and our lives over to the care of God as we understood Him.
4) Made a searching and fearless moral inventory of ourselves.
5) Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6) Were entirely ready to have God remove all these defects of character.
7) Humbly asked Him to remove our shortcomings.
8) Made a list of all persons we had harmed, and became willing to make amends to them all.
9) Made direct amends to such people wherever possible, except when to do so would injure them or others.
10) Continued to take personal inventory and when we were wrong promptly admitted it.

11) Sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.

12) Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics and to practice these principles in all our affairs.

**Article 11: Twelve Traditions of Alcoholics Anonymous**

1) Our common welfare should come first; personal recovery depends upon A.A. unity.

2) For our group purpose there is but one ultimate authority-a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.

3) The only requirement for A.A. membership is a desire to stop drinking.

4) Each group should be autonomous except in matters affecting other groups or A.A. as a whole.

5) Each group has but one primary purpose-to carry its message to the alcoholic who still suffers.

6) An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.

7) Every A.A. group ought to be fully self-supporting, declining outside contributions.

8) Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.

9) A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

10) Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.

11) Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.

12) Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

This Amendment herewith to South Florida Area 15 Conference Charter of April 1985 was adopted by unanimous vote of the South Florida Area Conference business meeting January 14, 2001. The principles on which it operates are outlined in “Twelve Concepts for World Service, “which should be read.

Dated this 14th day of January, 2001, we have subscribed our names hereto:
