

## 73rd General Service Post Conference Reports For Cary W. Area 15 Panel 73

So, we studied and discussed our Agenda Items, the General Service Conference is over, and all recommendations have been approved by the General Service Board. Now it's time for me to come out to your districts and report to you what happened. Wanna know if the Preamble is changed again? Wanna know where the International Convention in 2035, our centennial celebration will be? Got an opinion about the literature changes? Or the Plain and Simple Language translation of the Big Book? The schedule below is where I will be, please come out to hear and participate in the reporting. Questions and comments are not only welcome, they're invited. Some Districts have limited time so we kindly ask that questions come from members who reside in that District. I am always available by email and phone for questions. I would love to hear from you! Cary W.
