AREA 15 QUARTERLY COORDINATOR COMMITTEE

The Area 15 Quarterly Coordinator Committee selects the sites and negotiates the contracts for all Area 15 quarterlies. Hotel contracts will be procured for a 2-year cycle consisting of at least 2 rotating hotel locations spread throughout Area 15. The Quarterly Coordinators Committee will present their recommendation for approval in October of each odd year for the next 8 quarterlies starting with July of the following year to April - 2 years later.

- The committee coordinates between the approved hotels and Area Chairperson and Area Treasurer to execute a fully signed contract.
- The committee communicates between the Delegate and the Hosting District if there are any guests or any special requests.
- The committee coordinates Bid Forms for Hosting Districts.
- The committee coordinates between the Hosting District and the Spanish Linguistic Committee/translator to see that the flyers and programs are translated and correct according to Area 15 Current Practice.
- The committee requests 6 weeks in advance that the flyers in English and Spanish be completed for the following quarterly.
- Send Area 15 web chair the flyer for the following quarterly to be posted on Sunday, the final day of the current quarterly.
- The committee provides historical data from past quarterlies to hosting districts.
- The committee reviews the Hosting District's Agenda and program prior to publication in accordance with Area 15 Current Practices.
- The committee is available for guidance to the districts regarding the hosting of quarterlies.
- The Area 15 Quarterly Coordinator Chairperson Chairs the quarterly meeting on Saturday from 2:00 pm until 3:50 pm.
- The committee provides attendance estimates for each quarterly meeting and workshop.
- The committee collects the quarterly host district review sheets after each quarterly.
- The committee chair presents a report of committee activities orally at the area business meeting and in written form for inclusion in the area minutes.
- The committee secretary/treasurer provides the area finance committee with an annual request for funds at budget time and keeps detailed records of expenditures.

The Quarterly Coordinator Committee does not dictate how Quarterly Host Districts plan their Quarterly. The Quarterly Coordinator Committee communicates current and standard practices, quarterly planning information or makes suggestions based on personal experience or that of past quarterlies.

COMMITTEE CHAIRS

Some ideas for obtaining chairs for the committees are to look to your DCM, ADCM and GSRs at District meetings or Service functions. It is strongly recommended that they have some quarterly experience. It is a good idea to select committee chairs that have Co-Chaired or served on the committee for previous quarterlies. The following is a list of suggested Committee Chairs:

Host District Quarterly Committee Chairperson
 Host District Quarterly Committee Co-Chair
 Host District Quarterly Committee Hotel Liaison(s)
 Host District Quarterly Committee Secretary
 Host District Quarterly Committee Treasurer

Registration Committee Chairperson
 Greeter Committee Chairperson (can be part of Registration Committee)
 Program Committee Chairperson
 Speaker Committee Chairperson (often combined with Program Committee)
 Banquet Committee Chairperson
 Coffee Committee Chairperson
 Hospitality Committee Chairperson (optional)
 Accessibilities Committee Chairperson
 Room Scanners
 Ready Squad (optional)
 Volunteer Coordinator
 Voice of the Quarterly (often the duty of the Quarterly Chair or CoChair)

The following is a suggested breakdown of the responsibilities of each committee chair.

The detailed lists, worksheets and forms can be found in a separate Forms Workbook.

HOST DISTRICT QUARTERLY CHAIRPERSON

Select Alternate Quarterly Committee Chairperson and Hotel Liaison(s)
 Attend Area 15 Quarterly Coordinator Committee meeting.
 Give reports at the District level. Area Quarterly Coordinator Committee meeting reports are required for future, present and past quarterlies.

The following is a chronological overview of the planning stages for a Quarterly. The Quarterly Chairperson should be the overseer of all the committees and continually be aware of their activities. This is intended to be a checklist for the Chairperson and not actually all the duties of the Chair. The following duties are repeated for the appropriate committee in their section.

9 MONTHS TO A YEAR IN ADVANCE:

- Set up the first Quarterly Committee meeting.
- Select Committee Chairs - see committee chair sections.
- Determine theme of Quarterly
- Set up Calendar of Quarterly Committee meetings

6 MONTHS IN ADVANCE - CONFIRM:

- Flyer design from the Program Committee is ready to send to the Area Quarterly Coordinator
- A.A. Guidelines Internet (MG-18) talks about personal phone numbers on flyers. It is a decision to be made by each District if they choose to list a number for the Hosting Chairperson knowing their number will be uploaded and viewed on websites accessible to the general public.

PERSONAL PHONE NUMBERS ON A.A. EVENT FLYERS

Until relatively recently, A.A. members usually had little concern about placing their first names, last initials and personal phone numbers on flyers announcing upcoming A.A. events, since these flyers were typically given out only in A.A. meetings, left on tables at other A.A. events or distributed to members. Today, event flyers can be easily uploaded and viewed on websites, accessible to the general public. The Area provides a banquet email and a hotel info email for inquiries on these committees. Due to search services on the Internet, it is now possible to utilize phone numbers to find out a person's identity, including full names and, possibly, other personal information. If A.A. members become increasingly uneasy with personal phone numbers being placed on flyers, event committees may need to look into alternate ways of providing contact information such as an event email address.

- Inquire with Area Quarterly Coordinator Chairperson if there is an invited guest for Saturday night prior to inviting someone to speak at the Saturday night meeting.
- Speakers have been selected for Friday and Saturday Night by Program/Speaker Committee.
- Panel for Traditions, Concepts and Service Manual Workshops have been selected by Program/Speaker Committee (It is a general practice to invite some past delegates to participate, as well as local speakers). A list of past delegates can be obtained from the QCC.
- Spanish Speakers for Spanish Traditions, Concepts and Service Manual Workshops are selected by the Area Spanish Linguistic Committee. Who also handles programming for the Spanish speaking meetings and workshops. (Confirm this with Area Spanish Linguistic Committee)
- Panel for GSR and DCM Sharing has been selected by the Program Committee.
- Confirm with the Quarterly Committee that the Area Treasurer has booked the Area room block.

NOTE: In regards to funding for the Friday and Saturday night speakers: if they are invited by the Delegate, the Area funds them and the Area Treasurer makes their reservations. If they are invited by the Host District, then the district can opt to fund them and make their reservation. Host districts usually use their comp rooms for the speakers that are not otherwise funded by District or Area. It is also optional for the Host District to provide/offer the speakers up to 2 banquet tickets each, this cost is absorbed by the Host District.

For the Past Delegates that have a function at the Quarterly, either speaking or chairing a workshop or meeting, the Area provides 1 night of lodging and makes their reservation. Give a list of Past Delegates that have been invited to participate in the Quarterly to the QCC and the Area Treasurer 3 months in advance and they will confirm their room reservation.

AT PRIOR QUARTERLY – CONFIRM:

- Quarterly flyers are on tables Sunday morning by 9am, at the Area Business Meeting.
- Set up a table Sunday morning for Banquet ticket sales. (Banquet Committee)
- Pick up podium, interpreters' box, table numbers, number holders, registration supplies and recycled badges before leaving Quarterly.

2 - 3 MONTHS IN ADVANCE - CONFIRM:

- Program Committee has the program ready to go to Area Quarterly Coordinator. A final version should be submitted to the QCC 4 weeks prior to the quarterly for proofing and interpretation.
- Centerpieces have been designed by Banquet Committee
- Invitations for workshop/meeting participation have been emailed by Host Committee Chair or Program Chair

6 WEEKS PRIOR:

Finalize all committee, District and Area requirements.

Confirm that emails have been sent to Delegate, Alternate Delegate, Area Chair and Area Quarterly Coordinator asking if there are any last-minute changes or requests.

3 WEEKS PRIOR:

Confirm with the Alt District Host Committee Chair that Accessibilities request and speakers are confirmed.

Obtain a list of local meetings and make copies.

Check with Host Committee Chair and Area Quarterly Coordinator asking if submit a list for the comp rooms and room upgrades to QCC Sec/Treasurer Quarterlysecretary@area15aa.org

If this is an April Quarterly, coordinate with the Delegate how many copies of the Final Conference Agenda Items are needed. If this is an October Quarterly in an even year, check with Coordinate with Delegate how many copies should be printed (400 copies) of Area 15 Trusted Servant Responsibilities. *(This is not a requirement and would be an added expense to the District. Please coordinate with the Area Chair).*

The Host District Literature Committee or Intergroup may sell Service Manuals if they have a table set-up along with AA Literature, books, pamphlets and free local “Where & When’s”. Otherwise, the District Grapevine Committee can offer Service Manuals for sale at their display table. It is an Area Current Practice that Service Manuals be available, in both English and Spanish, but the Hosting District can decide where/when/who will sell them.

FRIDAY AFTERNOON AT QUARTERLY:

PROGRAM COMMITTEE

- Select the Theme for your Quarterly (usually done by the entire District Quarterly Planning Committee). A list of prior themes available in the workbook on area website.
- As soon as possible, design the logo for the flyer. Send the Theme, Logo, Banquet price and contact information for final approval to the Quarterly Coordinator Secretary/Treasurer quarterlysecretary@area15aa.org.
- Be sure that any ad hoc committees in session are listed – double check with Area Quarterly Coordinator Committee.
- No personal information should go on flyer
Minimum 500 copies of your flyer plus 100 Spanish flyers must be ready by Sunday morning at the Quarterly prior to yours. It is suggested the Spanish flyer be printed on different color paper.
- For inclusion on the Program check with Archives, Registration and Hospitality committees for opening and closing times and encourage them to close or run a skeleton crew from 8:30 to 9:30PM on Friday and Saturday nights in respect for the main Speaker. Email hours for Archives, Registration and Hospitality 6-8 weeks prior to the Quarterly weekend for approval to the Quarterly Coordinator Secretary/Treasurer quarterlysecretary@area15aa.org.
- Once approved, the QCC will handle translation and return English & Spanish copies for printing. Hold off printing the programs as long as possible for any last-minute changes. You will need at least 400 English and 150 Spanish Programs. It is suggested the Spanish programs are on different color paper.

- Ensure the District Quarterly Chairperson has all names, email addresses and phone numbers of all speakers, Chairs and readers prior to the Quarterly.
- Call/Email prior to the Quarterly to confirm all speakers and chairs.
- A list of Past Delegates and Trustees can be obtained from the Area Quarterly Coordinator Committee. We should take advantage of their experience and knowledge as often as possible for workshop panels and meeting chairs especially those not already funded from the Area.

- Email Area 15 Treasurer and QCC 4-6 months prior to when your hosting a list of Past Delegates participating in the weekend so their lodging can be booked by the Area Treasurer in the Area room block.
- Current Practice dictates that the Concepts meeting is chaired by 2 AA members that are well informed on the 12 concepts. Therefore, the Concepts meeting is usually chaired by a Past Delegate with 1 or 2 other AA members on the panel. The same follows true with the Traditions workshop. (Try to use Past Delegates along with your local District members).
- Area 15 has requested that we seek continuity from one Quarterly to the next. Please follow workshop formats as suggested: (Try to use Past Delegates along with your local District members)
January Concepts and Traditions #1 – 3
April Concepts and Traditions #4 – 6
July Concepts and Traditions #7 – 9
October Concepts and Traditions #10 – 12

- It is suggested that you consider the following format for the GSR and DCM sharing sessions. Since we have two hours for each session, please consider having presentations in the first 30 to 45 minutes of the session. The presentations should be done by experienced or past GSRs, ADCMs or DCMs in the GSR sharing and experienced or past DCMs or ADCMs in the DCM sharing session. Our trusted servants need our experience in being effective in those positions so that we develop a strong base of positive experience that we can continue to pass on. We have new GSRs and new DCMs at every Quarterly and we are responsible for helping our trusted servants communicate effectively with groups.
- Remind chairs and panel members that the workshops are not speaker meetings and that interaction is desirable after their presentations. Ask It Baskets work well with the GSR and DCM sharing sessions. They are always used in the “What’s On Your Mind” meeting so have baskets, pens and papers ready. It saves time at the sharing sessions and allows questions to come from the floor, people may be too shy to come to the microphone to ask but this is not dictated by Current Practices.
- The Service Manual Workshop is held in January, July and October and must be chaired by Past Delegates. This meeting and “What’s On Your Mind” are suspended in April for the Conference Agenda Review. “What’s On Your Mind” is always chaired by the Alternate Delegate.
- At the October Quarterly of even numbered years, the Service Manual meeting is Third Legacy Procedure Review and “What’s On Your Mind” meeting is devoted to allowing all the current Area 15 Trusted Servants to give a summary of their positions so that interested trusted servants can consider whether to offer their services for any of those positions at the elections on Sunday. The Area Officer Review meeting is chaired by the Delegate.
- The time slots for the meetings are dictated by Motions in Current Practices. Hosting Districts cannot change any time slot from the Area 15 set Agenda. Only the Area Chairperson and the Area Quarterly Coordinator can approve deviations if they must be done.

SPEAKER COMMITTEE (can be combined with Program Committee)

- Select “Chairs” for Friday and Saturday night Speaker meetings. The District Chair or the Quarterly Host Committee Chair or a combination of both.
- Select speakers for Friday and Saturday night speaker meetings.
- Try to select speakers with General Service experience but it is not mandatory.
- Friday night is usually a “local” speaker or anyone you choose.
- If the Area 15 Delegate has invited a Trustee or Delegate from another area, or anyone from GSO is at your Quarterly, they will be your Saturday night speaker. (check with Area Quarterly

Coordinator) (CP308)

- Every other year the Delegate has the opportunity to invite a Staff member of GSO or a Trustee to our Assembly. CP308
- Get speaker gifts (and gift bags) for Friday and Saturday night speakers only.
- The Spanish Linguistics Committee will select the speakers for the Spanish Early Bird/Night Owl meetings. Be sure to confirm that they have been selected. (linguistic@area15aa.org)
- Be sure all readers are standing/seated up front and ready to go to the microphone when called upon at the speaker meetings. Please honor a respectable dress code for the podium.
- The Sunday morning readers will be selected by the Area Chair unless he/she asks you to select them. Be sure all readers are up front and ready to go to the microphone when called.
- Ensure the District Quarterly Chairperson has all names, email addresses and phone numbers of all speakers, Chairs and readers prior to the Quarterly.
- Call/Email prior to the Quarterly to confirm all speakers, chairs and readers for Friday and Saturday night speaker meetings.

BANQUET COMMITTEE

- ***Banquet tickets should be created, printed and ready for sale by the prior Quarterly.***
- The Banquet price should be determined by the Host district Committee and in alignment with the banquet cost (inclusive) on the contract.
- Menu is determined on the hotel contract and may be customized to some extent - The Area 15 Quarterly Coordinator Committee will verify salad, vegetable and dessert choices with the hotel and provide that to the district (through the hotel liaison 3 months ahead).
- Banquet chairperson should proof flyer to assure information is correct, the Area maintains a banquet email which will be forwarded to the host banquet chairperson.
- ***Banquet food choices should be printed on tickets to aid the servers. (sometimes the tickets are different colors to distinguish the different meals). Tickets should be simply designed and easy to read.***
- Keep track of food choices and give totals to the Hotel Liaison(s) as early as possible.
- Be available to sell tickets and gather volunteers to sell tickets prior to Quarterly.
- All money is disbursed to the District Quarterly Treasurer when received.
- Maintain financial records of tickets sold, money received and money disbursed.
- Two non-voting members must be available at the prior Quarterly Sunday morning to sell banquet tickets from 8:00 am until the close of the Area 15 Business Meeting.
- Create centerpieces for Banquet tables using Quarterly Theme. (usually 12-20 tables) (may be done by a decorating committee)
- Select a spiritual AA person or member of the clergy to do the non-denominational Blessing.
- Get volunteers to sell Banquet tickets at the Quarterly on Friday and Saturday.
- Suggested District records ticket #, name, District # and contact # for person buying ticket.
- Give an accounting of total ticket sales and money disbursed to the Treasurer and the District Quarterly Chairperson.

COFFEE COMMITTEE

One of the most expensive items for many Quarterlies is the “free coffee”. Very few hotels give us unlimited free coffee as was customary in the past. Some hotels let us brew our own coffee in the Hospitality Room and some provide a set number of gallons as part of the contract. **Be very careful to adhere to the contract specifications. Coffee can be very expensive.**

It is suggested that one or two people be designated to sign off on the coffee when it is delivered to the table by the hotel. This is to ensure coffee is not replenished right before the last meeting thus wasting gallons of coffee overnight. It also double checks the hotel count. This is optional, but experience has shown that having a “coffee overseer” to be a valuable tool in maintaining

costs. Please provide Area Quarterly Coordinator with number of total gallons used per day.

HOSPITALITY COMMITTEE

Some hotels allow us to bring in our own hot foods, slow cookers, coffee pots, etc. other hotels limit us to snacks and desserts with no cooking or hot foods. Your Hospitality Room is **not** in competition with prior Quarterly hosting committees. Be sure to check with your hotel contact what foods and beverages are allowed in the Hospitality Room so you adhere to the hotel's policy. A suggestion found useful: Get groups involved by having them "sponsor" 2 – 4 hours in the Hospitality Room with greeters and food. Groups can also donate funds specifically to this room to ensure it stays self-supporting. **Be sure to inform your groups of the hotel guidelines on food restrictions.**

- Create a Volunteer/Time Slot spreadsheet.
- Recruit volunteers for time slots, recommended 2 - 4-hour shifts.
- Maintain volunteer list to contact in case of no shows.
- Call/Email volunteers 1 – 2 weeks prior to confirm participation.
- Make sure food and beverages are ready ½ hour prior to Hospitality posted times.
- It is suggested that Hospitality Room closes during the main speakers.
- If the hotel allows, ensure coffee pots and tea are in room and going at all times.
- Place baskets in Hospitality Room for any members who wish to contribute financially.
- Have door guards on duty and *do not let people take food out of the Hospitality Room.*
- Provide a list of volunteers and groups for thank you notes to the District Quarterly Secretary.
- Provide the District Quarterly Treasurer with a financial report including contributions and expenses.
- Please provide Area Quarterly Coordinator with wrap-up report for future hosting Hospitality Committees to use as reference.
- Place contribution cans on various tables, collect money frequently and turn into the host district committee treasurer to record.

ACCESSIBILITIES COMMITTEE

- The Chair of the Area Accessibilities Committee is listed on the flyer with email and will handle all special needs requirements. Please refer all Accessibilities requests to that Chairperson.
- The Voice of Assembly should announce "to please be mindful of those with mobility issues when moving about the hotel".

ROOM SCANNERS

- Prior to each meeting, ensure that the room is set up as requested including the Room Sign outside each meeting room door.
- Count each meeting so final count can be given to Area Quarterly Coordinator.
- Room count form is available on the Area 15 website under Quarterly Coordinator Committee in documents/workbook.

READY SQUAD (optional)

A Ready Squad is 2 or more people that are available during the Quarterly to just do whatever is needed. They may have to go out for supplies when they run out or pick up whatever has been forgotten. They should be ready to pick people up or drop them off. If you have forgotten to assign a volunteer to a task, they can fill in. If you have a "no show" for a committee, Ready

Squad is a call away. The only requirements to serve on the ready squad are a car, a cell phone and willingness.

VOICE OF THE QUARTERLY (optional)

Some District Quarterly Committees have a “Voice of the Quarterly” but other districts have the Host Committee Quarterly Chairperson or Host Committee Alternate Chairperson makes announcements and introductions.

- Make any announcements before the speaker meeting, checking with QCC and Host Committee Chairperson on new announcements.
- Announce registration counts before the Friday and Saturday night speaker meeting.
- Introduce the person giving the blessing before the Banquet.
- Introduce the Chairs of the speaker meetings using the format provided.
- Have a small binder with all the information on hand during assembly

ROOM REQUIREMENT SUGGESTIONS

Take into consideration when you might have a large local turnout, that you may need to provide extra seating for like the speaker meetings.

Remember when setting up room assignments that some standing committees have displays or literature that they like to display. Try to arrange for an extra 6' table in each breakout room for this purpose if requested.

Archives requires a room that will hold 50 people. Make sure that the room locks and that the Archive people have a key. Inform the hotel contact not to "just unlock" the room in the morning. The room should NEVER be unattended.

The Sunday morning business meeting is always best served by the officers being in the center of the longest wall. Four-6-or-8-foot tables work well as some area officers work from their computers. These tables should be elevated by a riser. One 6-foot table near riser with one chair for recorder. One 6-foot table near riser with two chairs for translators. If feasible, arrange round floor tables in rows rather than staggered to ease in taking vote counts. The room should be set up to hold about 450 tables with the addition of chairs around the outside walls for nonvoting members and visitors.

For the April Quarterly, try to get a second table microphone for the Assembly so that the Delegate does not have to share his/her microphone with the Agenda Item Speaker. It is too unwieldy and time consuming. Please ask for two (2) microphones at the dais for the Assembly.

For the July Quarterly, try to get a small table around the Registration area for the Delegate to display their "storybook" from the Conference.

Figuring out seating can be based on the registration counts as of Friday & Saturday totals for attending voting members of each district. Also keep in mind based on location those that may drive in for the business meeting in the morning. How many seats (10/12) at each table is important to determine how many tables each district will require to seat first their voting members than any nonvoting members and then any guests the district might have. Please seat smaller Districts (14, 16 & 19) at the same table. Districts 17 and 18 (Spanish Linguistic) should be seated together or near each other. Deaf members may prefer to be seated with their districts and so we may need to put those districts up by the ASL signer when possible. Ask the Area Accessibilities to help you know their preferences.

Please try and put district tables together as best you can. Nonvoting district members and guests may find additional seating in chairs set up around the perimeter of the meeting room in order to seat all the voting members attending. Provide one table for Past Delegates and Guests.

MAKE SURE DISTRICT NUMBERS ARE ON THE TABLES BY 8:00 am Sunday morning so early arrivals can find their seats well before the 9:00 am opening of the South Florida Area business meeting. Table numbers are provided by the Area Quarterly Coordinator. It is suggested to set up the room Saturday night after the speaker meeting.

If this is an Election Assembly, the Sunday morning room requirements must include a large dry erase board set up by the end of the Head table. Ensure that each of the tables has several ballots and that baskets are available to collect the ballots. Outgoing Delegate may obtain volunteers or may ask the Hosting District for volunteers to be runners/counters. It is also suggested that you have a calculator available for use at the head table to figure out number of votes needed. Also provide some small plastic bags to hold each set of ballots for each elected position separately until all voting has ended (CP347).

ANONYMITY AT THE PUBLIC LEVEL

A NOTE OF THANKS, A REQUEST FOR COOPERATION

Our anonymity, like our sobriety, is a treasured possession. We ask for the help of our guests and hotel staff in protecting the anonymity of all alcoholics present or mentioned here this weekend. We thank you for helping us observe our long-standing tradition of anonymity for members of Alcoholics Anonymous. Please do not include Alcoholics Anonymous in any signage.

We respectfully request your cooperation with us in maintaining the anonymity of our members by holding in confidence anything that is heard during the Assembly.

From time to time, we write to our public media friends to thank them for helping us observe our long-standing tradition of anonymity for members of Alcoholics Anonymous. The principle of anonymity is a basic tenet of our fellowship. Those who are reluctant to seek our help may overcome their fear if they are confident that their anonymity will be respected. In addition, and perhaps less understood, our tradition of anonymity acts as a restraint on our members, reminding us that we are a program of principles, not personalities, and that no individual A.A. member may presume to act as a spokesman or leader of our fellowship.

Again, we thank you for your cooperation. Those who wish to know more about our fellowship may write, phone or visit the section "Press/Media" on www.aa.org.

Sincerely,

District #___ Quarterly Chair

PREAMBLE

Alcoholics Anonymous is a fellowship of people who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

I am an alcoholic. I'm a member of the _____ Group.

My name is _____ My Sobriety date is _____

TWELVE TRADITIONS

1. Our common welfare should come first; personal recovery depends upon A.A. unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for A.A. membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
5. Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.
6. An A.A. group ought never endorse, finance or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
7. Every A.A. group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

TWELVE CONCEPTS

1. Final responsibility and ultimate authority for A.A. World Services should always reside in the collective conscience of our whole Fellowship.
2. The General Service Conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole Society in its world affairs.
3. To insure effective leadership, we should endow each element of A.A.-the Conference, the General Service Board and its service corporations, staffs, committees, and executives – with a traditional “Right of Decision.”
4. At all responsible levels, we ought to maintain a traditional “Right of Participation,” allowing a voting representation in reasonable proportion to the responsibility that each must discharge.
5. Throughout our structure, a traditional “Right of Appeal” ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration.
6. The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.
7. The Charter and bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness.
8. The trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.
9. Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.
10. Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.
11. The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern.
12. The Conference shall observe the spirit of the A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and, whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.
