Dear Members of the General Service Conference:

The AA General Service Office has launched a brief survey to gather information on the need among Spanish-speaking AA members in the United States and Canada for a Big Book in plain language (or other tools in plain language).

The survey will close on December 31, 2026. Please share this link or QR code with Spanish-speaking members in your area.

Link:	https://es.surveymonkey.com/r/Libro_Grande_en_lenguaje_sencillo
QR code	

An email containing the link will be sent to the DCMs of districts identified as Spanish-speaking, as well as to the GSRs. In addition, we plan to separately collect feedback from trusted servants on Correctional Committees who interact with Spanish-speaking members who are incarcerated.

Please note that, for the time being, we are focusing solely on Spanish in order to comply with the following recommended action for 2025:

202

5

It was recommended:

- Initiate a study to explore the needs of Spanish-speaking members regarding tools for accessing the Big Book. This study will include identifying specific needs within the Spanish-speaking community to determine whether a plain-language translation of the Big Book is an appropriate tool or whether other accessible materials would be more effective in supporting Spanish-speaking members who face barriers related to their reading comprehension. (plenary action)

We hope that the information we gather will help the Trustees' Literature Committee better understand the needs and perspectives of Spanish-speaking members, thereby enabling us to fulfill this recommended action.

Thank you for helping us share this survey with members in your respective areas.

Best regards,

Misha Quill (please do not use my last name on public media platforms) Literature Coordinator
General Service Office of Alcoholics Anonymous
