

EARLY BIRD MINUTES

October 2026

Welcome to Area 15's "Early Bird Minutes"

Think of this as your quick-access guide to the highlights and resources you need right after the Area 15 Business Meeting. Our goal? To help trusted servants hit the ground running-whether you're a General Service Representative (GSR) sharing updates with your home group, a District Committee Member (DCM) supporting GSRs, or a District Chairperson keeping your district informed.

What are the Early Bird Minutes?

They're not a replacement for the official meeting minutes (those are still coming and will have all the details). Instead, this is your fast-track tool. A way to stay informed and connected while the full minutes are being finalized.

Use it. Share it. Stay ahead.

Links, key points, and resources are all here to help you serve effectively right away.
