Welcome to your monthly Self-Support communication.

This purpose of this communication is to share how Seventh Tradition contributions of A.A. members have helped them to carry or receive the message of Alcoholics Anonymous. Each month, we'll highlight a member's experience with self-support and the ways our collective participation helps make A.A.'s services possible.

Check out how your Seventh Tradition contributions have helped support a local Cooperation with the Professional Community (CPC) effort: [Self-support Story - C.P.C.](#)

[F-203 Seventh Tradition Fact Sheet - Your Seventh Tradition Contributions](#) includes how the CPC Assignment develops resources, supports communication for local committee engagement, and coordinates local participation in national professional conferences in the U.S. and Canada. To learn more about this assignment and what your Seventh Tradition contributions make available, visit the [CPC page](#).

If you would like to share your own experience with self-support in a similar way, please contact selfsupportfinance@aa.org

Below is information from the latest quarterly financial report that provides a closer look at Seventh Tradition contributions and self-support throughout the Fellowship. More information is available on the [Self-Support and Contributions](#) page.
